Air Protests at Highway Meet

Breed Suggests County Buy Land For New Roads

Gripes of various intensity, but all of them important in reflecting road and highway needs of Central Contra Costa County, were voiced at Wednesday night's general membership meeting of the Diablo Highway Improvement Federation.

Aired at Lafayette Town Hall during the organization's final membership session of the season, the gripes ranged from over-all criticism of state slowness in projects for this area to specific complaints of immedate concern to local sections.

THE OVER-ALL dissatisfaction was contained in the report by Lloyd Holton of the proceedings at Martinez earlier Wednesday, when the Central Coast Council Highway Committee of the California State Chamber of Commerce met in the supervisors' chambers with the Contra Costa County Development Association, District Engineer L. A. Weymouth of the State Division of Highways, county officials and representatives of a number of community groups. (See story this issue).

HORACE BREED of the Orinda Association urged Cummings to see that the county surveyor investigate possibility of purchase of rights of way from Orinda Crossroads to Orinda Village prior to sale of East Bay Municipal Utility District land in this area to private individuals and firms.

Present at the Town Hall gathering of the Highway Federation Wednesday night were Supervisors Jack Cummings and Ray Taylor, who had attended the Martinez conclave.

SPECIFIC LOCAL GRIPES expressed at Town Hal lincluded:

1.—Need for "immediate attention" to correct "the extremely hazardous condition existing at the intersection of Charles Hill Road and Mt. Diablo Boulevard." This demand, by Thomas N. St. Hill, came from the Monte Vista Improvement Association.

2.—Objection, from the Canada Del Hombre Home Owners Association, to county plans for an $800,000 improvement and relocation of Pleasant Hill Road between Martinez and Mt. Diablo Boulevard. (See adjoining story.)

3.—From the Glen Haven Improvement Association, in a letter from President R. A. Carroll, complaint about the "exceedingly dangerous" condition at the Castle Hill Road-Danville Highway intersection.

HOLTON ANNOUNCED his resignation as federation chairman, due to the press of personal business. He will continues as a director. The board has named L. A. Green of Arlene Gardens, who has been vice-chairman, to serve as chairman for the remainder of the term, until November. Elliot Hartman is the new vice-chairman.

Cummings mentioned that a bond issue to aid in financing county roads is being proposed for presentation to the voters as soon as a study of the county road system is completed.

Chairman Green reveiwed the activities of the federation in the past few months and said the board will continue to meet during the summer.

Holton read a letter he had sent to County Surveyor Joseph Barkley asking "further field study" of suggested secondary road projects in the Lafayette area which had been described as inadvisable by Barkley.

INTERESTING BUT — SH-H-H, IT's A SECRET! That seems to be the concensus of these members of the Tanagers, as Mrs. Stuart Henderson (second from left) rehearses the reading she will give Monday at the Tanagers' dessert-reading in the Brazilian Room at Tilden Park. The affair will be for the benefit of the Mt. Diablo Child Therapy Center. It seems that the title of the reading can't be revealed in advance — hence the hush-hush cautioning by Mrs. Joseph Downs (standing), Tanager public relations chairman. The other women are Mrs. Victor Savale (at left), general chairman for the event; Mrs. Robert Boyle (second from right), refreshment chairman, and Mrs. Emory Davis, hostess chairman.

—SUN photo by Mattson

Overpass Not on State C. of C. List

Although the State Chamber of Commerce's Central Coast Council Highway Committee this week expressed new support for a number of urgently needed highway improvements for this area ,there was no specific mention by it of an Orinda overpass as part of the contemplated over-all Tunnel-to-Pittsburg freeway.

Lafayette Freeway, however, was listed, with 9.3 miles given as the length. This fact caused some observers to believe that the designation "Lafayette Freeway" covered the entire stretch from the Tunnel to Walnut Creek vicinity, including the projected 3.3-mile Lafayette bypass.

Also recommended by the state group is the reconstruction of Highway 21.

These were only two of 10 recommendations for Contra Costa County road projects council members said they would urge on the State Highway Commission after a half-day session with Contra Costa County Supervisors and the Contra Costa Development Association at Martinez Tuesday.

District Engineer L. A. Weymouth of the State Division of Highways told the gathering that plans are under way for the Lafayette-Orinda district, with some rights of way purchased for the Lafayette by-pass.

A NEW HIGHWAY from Concord to Mt. Diablo Boulevard is also recommended, a project that would undoubtedly connect with the proposed Walnut Creek freeway.

Bridging the straits between Martinez and Benicia also gained support, as did a second proposed highway tunnel through Shepherd Canyon as another link with Alameda County.

Vice Chairman Claude T. Faw of Berkeley headed the state chamber committee and heard Joseph Judson, president of the Contra Costa Development Association describe Contra Costa's highways as "the most neglected in the state."

Among those attending the meeting were Lloyd Holton of the Diablo Highway Improvement Federation and Captain A. G. Sandford of Lafayette.

A telegram from the federation was read. The wire urged study of Mt. Diablo Boulevard "for much needed improvement to include overpass at Orinda, by-pass at Lafayette and Walnut Creek."

"Highway conditions on Mt. Diablo Boulevard are without doubt among the worst in the state," the message declared, and it added that "this inadequate road is the only road into Orinda, Lafayette, Walnut Creek from Oakland."

"Contra Costa County is the fifth most populous county in the state, second in industries and yet 14 other counties received more highway funds under the Collier-Burns bill than did this county." Judson told the council group.

At one point in the meeting, Weymouth said he realized Contra Costa County's road problems but didn't think them "unique." He added that San Mateo County suffers more serious traffic congestion than Contra Costa.

Debate 'Urban' Tax Proposal

Assembly debate on the controversial "urban unincorporated areas" measure, A.B. 3217, was reported in progress yesterday in Sacramento as this issue of the SUN was going to press.

Delay of 24 hours in arguments regarding the proposal had been granted at request of Assemblyman Frank R. Lanterman of La Canada so as to allow proponents and opponents opportunity to prepare and state their views.

The measure, which would require unincorporated areas to pay extra taxes for "urban-type services" from counties, is opposed by the Lafayette Improvement Association, the Lafayette Chamber of Commerce and the Orinda Association. Both Lafayette and Orinda would be directly affected, these organizations point out.

Annual Meet of Glorietta Group

Annual meeting of the Glorietta Improvement Association will be held next Wednesday, 8:15 p.m., at Orinda Grammar School.

Election of officers for the coming year will be held and annual reports submitted.

CURRENT PROBLEMS of the organization are to be discussed and clarified, including the repaving of Glorietta Boulevard.

Assistant County Road Commissioner George Berry has informed the association officers that the county is ready to commence repaving as soon as residents along Glorietta Boulevard are connected with the sewer.

THE ASSOCIATION has been cooperating with the Sanitary District and with the Moraga Meadows Association in this project, under the direction of Hart Livingston.

Residents of Moraga-Glorietta, Moraga Park and Moraga Manor areas are urged to attend the meeting.

RETIRING OFFICERS of the association are:

Joseph R. Creighton, president; Maynard Buehler, vice-president; Donn Sigerson, secretary-treasurer; Seaver Ballard, Richard A. Murphy, J. S. Fraser, T. M. Harrer, directors.

Frank Cayting has represented the organiaztion on the Civic Affairs Committee of the Orinda Association.

Carl Meurk has had charge of plans approval, with the assistance of Earl Doxsee and Hamilton Stevenson.

De Laveaga's Chevron Station Opens Today

Ned de Laveaga's new Chevron Service Station at Orinda Crossroads has its Grand Opening today.

Free flowers will be given to the ladies, key chains to the men and candy to the youngsters — so it would seem to behoove people to do as De Laveaga suggests: "Drop in — get acquainted with Ned."

The station is next to Casa Orinda.

Chamber Names New Committees

Orinda Chamber of Commerce held its first meeting under leadership of the new panel of officers headed by President Ramsay Underwood yesterday noon at Casa Orinda.

Organizational plans were discussed and the following new committee chairmen were appointed:

Bill Worden, publicity; Virginia Hammond and Al Eberlin, Christmas decorations; Ramsay Underwood civic affairs; John Stoffel, highways and roads; Fred Troy, parking; Hugh Phair, directory; Ernest Poll, program; Frank Black, Crossroads curbings; Bill Worden, bus shelter, and Stoffel, by-laws and incorporation.

Executive-secretary Andy Blalock was instructed to contact Edgar Stewart for compiling by-laws and incorporation.

Black and Worden were appointed to a committee to request American Trust Company to install a night depository due to the bank's announced policy of closing on Saturdays.

Barrows Talks at Reedley Program

Dr. Thomas N. Barrows of Orinda, associate director of the University of California Extension Division, delivered the major address at the commencement exercises at Reedley Union High School, at Reedley, Calif., Monday night. Mrs. Barrows accompanied her husband to Reedley, which is near Fresno.

Arthur Jacobsen Graduates School

Arthur H. Jacobsen of 14 Linda Vista, California Highway Patrolman, will be the recipient of a Diploma in Police Administration next week from Northwestern University at Avanston, Ill. Jacobsen completed his work for the diploma in January.

Crashes Reported But No Injuries

Cars driven by Beatrice Wright, 40, Martinez, and David A. Comstock, 23, Walnut Creek, collided in a sideswipe-rear end crash late Tuesday afternoon on Mt. Diablo Boulevard at Charles Hill Road.

Both autos were headed east. There were no injuries, according to the California Highway Patrol.

In a collision on Orinda Highway about 80 feet north of Orinda Crossroads May 31, cars driven by Michael Klement, 17, 10 Valley View Drive, Orinda, and Remi Le May, 35, Oakland, were involved. No one was injured. Klement was driving south, and LeMay was headed west, across the road.

Kids' Theater Over 'til Fall

Teatro para Ninos announces that the season will be closed until Fall. There will be no picture shown this coming Saturday.

School Tax to Jump to $1.50

Orinda Union School District's tax rate for 1951-52 will be raised from this year's $1.19 to the legal limit of $1.50 per $100 assessed valuation, it was decided by the Orinda School Board Monday night.

At the same time, the board, meeting at Orinda Grammar School, decided it is essential to ask the voters' approval for another five-year period, from July 1, 1952, through June 30, 1937, in which a $1.50 tax limit would be permitted. (Elementary school districts cannot exceed a 90-cent tax limit without approval of the voters.)

The board set Monday, July 9, 8 p.m., for a public information meeting at Orinda School auditorium, at which the problems will be explained fully.

"THE $1.50 TAX LIMIT, approved by the voters in June, 1947, expires June 30, 1952," Superintendent of Schools Joseph L. Sheaff said after the board meeting. "Until now we have never had a tax rate higher than $1.35. This past year the rate has been $1.19.

"But the tremendous population growth of the schools and the fact that building costs are up 25 to 30 per cent make it necessary to have the maximum $1.50 tax next year."

Sheaff emphasized the desire and need of the school authorities for public support and understanding on these matters, and urged maximum turnout at the June 9 meeting.

AS EXAMPLE OF the need for an early additional school structure, Sheaff reported that the first and second grades at Orinda School will definitely go on a double session schedule next Fall. He said that "this may be necessary at Glorietta School, too, if the population increases a great deal," but added, "We don't anticipate that."

Current enrollment for the district is 997, he stated—557 at Orinda School, 440 at Glorietta.

RAPIDLY GROWING school population, consequent urgent need of a third school plant and increases in construction costs formed the overtone for the trustees' budget meeting Monday night.

A tentative total budget of approximately $265,000 was decided upon for the 1951-52 fiscal year. This would include a $202,830 operating fund and between $60,000 and $70,000 needed for land and construction.

Prospects of obtaining the projected site at the end of Washington Lane in Sleepy Hollow were discussed by the board. There still was no definite word on price from the East Bay Municipal Utility District, owner of the land, and it was decided that Board President Edgar Stewart press negotiations with E.B.M.U.D.

IMPORTANT ITEMS in 1951-52 budget considerations, Sheaff stated, are salary increases and transportation cost increases.

The tentative instruction budget has been set at $131,720, as against $98,400 for the current fiscal year. Raises in teachers' salaries and the need to hire five additional teachers are the cause of the increase in this phase of the school budget, Sheaff explained.

Bus transportation costs, paid by the Orinda School District to the Acalanes High School District under a contractual arrangement, are anticipated at $17,500 for 1951-52, as against $16,280 for the year now drawing toward a close .

The superintendent said that increases in building costs could not be foreseen last summer, when it was hoped that the approval of a $400,000 bond issue over a five-year period would eliminate possibility of tax rate hikes.

AT NEXT REGULAR MONTHLY meeting of the board, July 2, bus schedules for the next school year will be planned. Sheaff stressed the importance for all persons with requests regarding bus service to be at the July 2 meeting.

"We have had requests from Sleepy Hollow, Orinda Estates, El Toyonal, Crest View Drive and Irving Drive," he said.

'Clover-Leaf'? State May Know Within a Year

Agreement by State Highways Division officials on the exact type of Crossroads arrangement as part of the projected Tunnel-to-Pittsburg freeway may be reached within a year, District Engineer L. A. Weymouth indicated this week.

However, ultimate construction date is still indefinite, he said, depending upon future appropriations by the State Legislature.

Studies of the Crossroads have been under way for some time, according to highway officials, and various proposals are still under consideration.

Among those being considered are an "ordinary" overpass, a modified "clover-leaf" arrangement suggested by Clarence Fleager of Orinda, another "clover-leaf" design and a "diamond" pattern.

Expect Complete Slide Clearing By First of July

Complete removal of all remaining dirt from the site of last December's landslide on Mt. Diablo Boulevard three-quarters of a mile west of Orinda Crossroads is expected to be an accomplished fact by July 1, according to District Engineer B. W. Booker of the State Division of Highways.

By then, he said, the motoring public will be able to use the highway normally, without aid of the curving detour which has been traversed since shortly after the tons of earth covered the boulevard on December 9.

Terracing of the hillside at the north of the highway is progressing now, Booker reported. He is in charge of maintenance for Division IV of the Highways Division.

Total cost of the repair job is expected to be approximately $100,000.

Tomorrow: Church Plant-Paint Day

Another work day is scheduled at Orinda Community Church for tomorrow, it was announced by members of the Board of Trustees in charge of buildings and grounds.

A similar project carried through recently resulted in the planting of several trees and painting of a portion of the church building.

Tomorrow's work will consist in completing planting operations laid out for this Spring and further progress in painting.

Men of the church and constituency have participated. Those who can spare time ranging from an hour to a full day are needed, according to William Penn Mott, Jr., grounds chairman, and A. W. Reid, building supervisor.

Lions Will Hear Safety Discussion

A talk and demonstration by L. B. Honegger, inspector for the Underwriters Laboratory of San Francisco, is to highlight the program at next Wednesday night's Lions Club meeting. "Testing for Safety" is the subject Honegger will discuss.

Take Me Out to The Ball Game . . .

It won't be Orinda Lions Club or Boy Scout Troop 207 who'll be responsible if there isn't a record turn-out of Orindans at the special "Orinda Night" at Oakland Ball Park tonight.

Not with the campaign they've been waging to sell tickets for the event which will benefit the scout troop fund for the purchase of a guide dog for a blind person.

Late yesterday, it was estimated that nearly 1500 tickets had been sold.

Tonight's the night!

Seventy Students Will Graduate Here

Seventy boys and girls of Orinda and Glorietta Schools will graduate in ceremonies to be held at Orinda Grammar School auditorium next Friday night, 8 o'clock.

The rites will open with the salute to the flag, followed by the invocation by the Rev. Fred Morrow. The graduates will then offer vocal selections, directed by Charmaine Barr and accompanied by Joan Hoag.

FOLLOWING PIANO selections by Janet Nelson, Jack Gray on behalf of Glorietta School, and Janis Armstrong, on behalf of Orinda School will present class gifts. Mark Jensen will accept for Glorietta and Heather Ambler for the sister school.

Peter St. Hill will play an accordion selection, after which Shirley Gee will present the class farewell to Glorietta and Larry Collins that of Orinda.

Ann Kalbfleisch will present a cello selection, accompanied by Mrs. C. Kalbfleisch as another feature.

ORINDA LIONS CLUB President Don Hunter will make the annual scholarship awards to outstanding students.

Dr. Enoch Dumas, lecturer in education at the University of California, will be guest speaker.

Singing of the class song and presentation of the graduating class of 1951 will be followed by the always-impressive ceremony of presenting diplomas, with Edgar Stewart, president of the board of trustees, performing this honor.

The ceremony will conclude with singing of the Star Spangled Banner.

19 Win C.S.F. Life Memberships

Nineteen Acalanes students, 17 of them graduating seniors June 17, have won life membership certificates in the California Scholastic Federation.

A student must have three "A's," a "B" or better for six out of their eight high school semesters, or a grade point average equal to the average grade point average of last year's life member winners.

Three of the group, Elizabeth Bahls, Janet Chantler and Katherine Lyser, have straight "A's" for their entire high school careers. Two other students being awarded life time membership, Hugh Haskell and Beverly Mumford, will have completed high school graduation requirements by the end of the summer, completing the whole of their high school work in a record period of three years.

Other life membership award winners are Jeanette Busch, John Cashman, Ken Ernst, Don Cvietusa, Valerie de Laneaux, Jim Hall, Dorothy Hanswalt, Judy Lee, Ann Parker, Norman Parsons, Ted Sanford, Juanita Velasquez, John Wahl, Bob Wickman and Marie McMurphy who is completing her high school program in 3½ years.

H.S. Swim Pool Opens June 19th

The swimming pool at Acalanes High School will be open daily except Monday starting June 19.

Charles Eaton will be in charge.

The pool will be open to the general public during the afternoon. Morning sessions will be conducted by the Red Cross, for swimming lessons.

Will you be killed tomorrow? Drive very carefully.

ONE WEEK! JUST COUNT the days; only one more week of school before vacation begins.

Ah, yes! Vacation—the time of year when the ulcers so laboriously obtained from cramming for exams start to fade away.

Soon every one and not just a select few will be tanning, burning or even peeling.

LAST WEEK, STUFFING the ballot boxes at the election polls was discussed .

The election was held May 28 a few hours before that column was turned in. In those few hours it was rumored that there was stuffing of the ballot boxes; like all good rumors, it grew rapidly.

The facts of the matter are as follows:

1.—There was actually only one known case of stuffing the ballot box, and that has since proved to have been that person's idea of a joke instead of a malicious or premeditated plot.

2.—Confusion around the freshman and sophomore polls were taken to mean stuffing.
around sophomore and especially freshman booths for voting.

GRADUATION IS ALMOST here, and with it comes the problem of what to get him or her for a graduation present.

The hardest part is choosing what to get.

Either they have it or they don't need it, or both.

When you do find something worth giving, it's always way too expensive. Suggestion! Try getting something useful but relatively inexpensive. (Sounds easy, doesn't it?)

Folk Dance Festival At Antioch June 10

Invitations have gone out to folk dance clubs from Salinas to Sacramento for the Folk Dance Festival to be held at the County Fair Grounds in Antioch Sunday, June 10. The clubs that will exhibit are Acalanes Folk Dancers, Berkeley Folk Dancers, Circle Four and Suburban Swingers.

The Festival, sponsored by the Diablo Council of Folk Dance and Square Dance Clubs, is the initial affair to be presented by the newly formed council. Representatives from nine folk and square dance clubs in Eastern Contra Costa County comprise the council. Admission will be free.

Karl Pape, past president of Acalanes Folk Dancers, is general chairman of the festival. Working with him on the various committees are Glenn Ward, Reva Ward, Al Orr, Don Clark, Ted Darger, George Holt, Stan Valentine, Thelma Selling, Tony Golik, Sherman Balch, Roberta Bush, Betty Wagner, Clarence Carlson, Al Laven, Les Davison, Virginia Wilder, Ted Hart, Don Grimes and Walter Rugh.

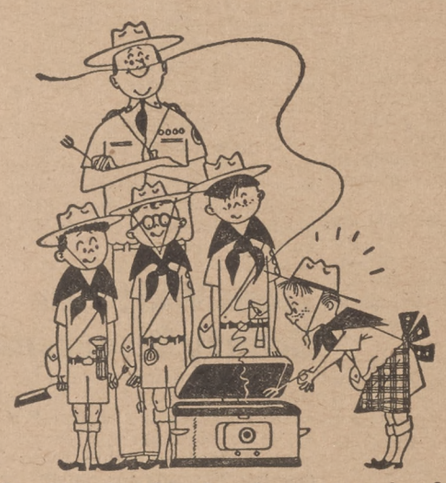
Everyone in the family "dates up" our new electric roaster!



Son bids for the electric roaster when he does KP for the gang. Somehow beans, chili, stew, soup, almost everything tastes better cooked in the even, all-round, controlled heat of an electric roaster. Also, the removable, easy-to-wash porcelain enameled cooking well is a cinch for the clean-up squad!

Dad reserves the electric roaster on week ends, cooks the world's best barbecued spareribs, spaghetti, game in season, and other he-man specialties. New-type thicker insulation in modern models has reduced heat loss to an all-time low. An electric roaster plugs into any 115-volt, A.C. outlet . . . ideal for beach house, cabin, patio.

Mom's dates are baking day, holidays, any day when she needs "an extra stove." Or when, on the contrary, she wants to cook a whole meal at one time in a quick and easy way. Thermostat control maintains exact temperature desired, and if model has automatic clock control the roaster turns itself "on" and "off" at pre-set times, gives homemaker hours of welcome freedom.

Newly-married daughter dates up the electric roaster for social events like club get-togethers, buffet parties, picnics. It's easy to carry, keeps food warm for hours. With P. G. and E. rates lower today than in 1940, an electric roaster is a real joy . . . costs only 1¢ or 2¢ per meal to operate. There's a model for every family, every budget. See your dealer's selection today!

Record Acalanes Graduation on June 17th

Rehearsal of the largest graduating class in the history of Acalanes High School is being held this week in preparation for Baccalaureate exercises Sunday and graduation exercises June 17.

Baccalaureate services in the Don gym will begin at 6 p.m. Baccalaureate speakers will be Rev. Father Thomas F. Scahill of the Santa Maria Catholic Church, Orinda; the Rev. James G. Upshaw of the Walnut Creek Presbyterian Church, and the Rev. Luther H. Berven, pastor, Our Savior's Lutheran Church, Lafayette.

THE GENERAL PUBLIC is invited to Baccalaureate services. Attendance at graduation exercises is by invitation.

The graduation program will be held on the football field again this year to accommodate the large number of graduating students, 205 seniors. Graduation will include several students who completed their course at mid-term.

400 from Area at Diablo Cotillion

Nearly 400 localites attended the highly successful Diablo Cotillion last Saturday night at Diablo Country Club.

This last in a series of three subscription dances featured dancing indoors and out, to the music of Henry Gallagher's orchestra.

Dr. Robert Pinger of Concord is president of the Diablo Cotillion. Other officers are Samuel Abbott of Diablo, vice-president; Mrs. Clifton Dahlgren of Walnut Creek, secretary; Donald MacVean of Walnut Creek, treasurer.

LEGAL NOTICE

NOTICE TO CONTRACTORS

Notice is hereby given that the Board of Trustees of the Orinda Union School District, County of Contra Costa, State of California, calls for sealed proposals to be delivered to the Clerk of the Board at his office in the Orinda Grammar School located in Orinda, California, until six o'clock P.M. Monday June 18, 1951, at which time and place said bids will be opened for the furnishing of all labor, materials, equipment, transportation, and services which are required for the construction and completion of the proposed paving and grading for Glorietta Elementary School at Glorietta Blvd. and Martha Road in Orinda, Contra Costa County, California. Bids shall be presented in accordance with the plans and specifications for said work prepared by the office of Jack Buchter, Architect, 61 Moraga Highway, Orinda, California which are on file at the office of the Architect, located as above mentioned.

Plans and specifications will be loaned to prospective bidders. All plans and specifications shall be returned in good order to the Architect's office within five days after date given herein above for the submitting of bids.

Bids must be made on proposal forms obtained at the said office of said Architect, and must be signed by the bidder, and accompanied by a certified check in the amount of $500.00 and made payable to Orinda Union School District, to be retained by said District as agreed as liquidated damages should the party or parties to whom the contract is awarded fail to enter into the contract after the award, or to give the bonds required.

Bidders are notified that, pursuant to Section 1773 of the Labor Code, the Board of Trustees has ascertained the prevailing rate of per diem wages and the rates for legal holidays and overtime work in the locality in which this work is to be performed for each craft or type of workman needed to execute the contract which will be awarded to the successful bidder, and that said rates are as follows:

Classification	Scale Per Hour
Carpenters:	
Journeymen Carpenters	$2.375
Engineers	
Compressors	1.94
Concrete Mixers (up to one yard)	1.94
Power grader, power planer, motor patrol or any type of power blade	2.44
Power shovels and/or other excavating equipment with shovel-type controls (up to and including one yard)	2.59
LeTourneau pulls (Jeeps, Terra Cobras, LaPlant, Choate, and similar types of equipment)	2.44
Rollers	2.29
Laborers:	
General Laborers	1.65

The per diem wage rate is the hourly rate hereinabove established, multiplied by the number of hours constituting the work day for the particular craft or type of workman.

It shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Labor and material bond in the amount of fifty per cent (50%) of contract, and performance bond in the amount of one hundred per cent (100%) of the contract are required.

Time of performance is thirty (30) calendar days from the execution of the agreement. The contractor shall be required to begin the work within ten days after the agreement with the successful bidder is executed.

The Board reserves the right to reject any and all bids and to waive any irregularities in any bid received.

No bidder may withdraw his bid for a period of thirty (30) calendar days after the date set for opening of the bids without the consent of the Board of Trustees.

Dated June 1, 1951.

Greyhound Commuters Will Fight for Better Service

"Now that the question of rates is settled we will continue to press our campaign for better service for all commuters residing in this area and commuting to and from their work in Oakland, Berkeley and San Francisco," Arthur Bowman, a spokesman for the Contra Costa Commuter's Association, commented today, following last week's Public Utilities Commission decision on commuters' rates. (See adjoining story.)

"Recent meetings held with Greyhound officials in an effort to abtain improved service by Greyhound in Central Contra Costa County have not produced satisfactory results," Bowman added.

"A meeting is now scheduled with the Public Utilities Commission to acquaint the body with the unsympathetic response received from Greyhound and to discuss the present inadequacy of the bus service in hope that the Commission will take action."

Bowman pointed out that his committee is continuing efforts to get more buses, reduce standing on buses and improve on-time operation of buses.

Paul Stout New Representative Of Our Ad Staff

Paul F. Stout has joined the staff of the Contra Costa Shopping News, the Lafayette Sun and the Orinda Sun as an advertising representative.

Formerly an advertising salesman for the Berkeley Gazette for two years, Stout lives at 2360 Geraldine Drive in the Fair Oaks Tract near the Monument with his wife, Charlotte, and their two daughters, Joanne, 3, and Cynthia, 1½.

He attended Golden Gate College's School of Advertising in San Francisco. In the Army Air Corps he experienced service at Okinawa during World War II and with the occupation forces in Japan.

Stout's sports hobby is fishing. He is a member of Berkeley B.P.O.E. Lodge 1002, and is 30 years old. A native of Utah, he has lived most of his life in California.

Claire Hamilton On Therapy Board

At its June meeting, the Board of Directors of Mount Diablo Child Therapy Center will welcome two new members, Mrs. Standish W. Donogh from the Clayton district and Claire M. Hamilton of Lafayette.

Great strides have been made since the Center has been in its new quarters in Walnut Creek. In the past month 261 patients were treated. This is the largest number to be treated in any one month up to this time.

About half of these patients are polio suffers. Most of the others are victims of various kinds of accidents.

This increase in the patient load increases the need for volunteers as physical therapy aides and as drivers for patients. Anyone interested in this work may obtain information from Elizabeth Green at the center.

Canyon Callings . . .

CANYON WOMEN'S CLUB expects a large attendance at the annual picnic to be held at the picinc grove next Thursday. The whole community is invited. After lunch children will enjoy games, with prizes for the winners.

PRIMARY GRADE pupils entertained first-graders-to-be and their mothers Wednesday in the "little" room.

SEVENTH AND EIGHTH grade students enjoyed the traditional picnic and swimming party yesterday afternoon and evening at Castle Rock Park. Sixth grader Garryl Jacques, because she will not be in Canyon next year for the picnic, was guest of honor. Garryl will leave soon, with her mother and brother, on the Lurline for her new home in Hawaii. Chaperons for the affair were Mrs. LaVon Zemke, Mrs. Jacquelin Frey and Mrs. Robert O'Neil.

BAMBI BLUE BIRDS, accompanied by Leader Mrs. Margaret Chessum, attended the Blue Bird Fly-Up held at Lake Merritt last Saturday. The girls were first taken on a launch ride around the lake. At the Fly-Up ceremonies Mary Rice, Sheila Jacobs and Jackie Chessum were among those receiving graduation certificates and Camp Fire Girl Ties.

THE TEEN-AGE GROUP participated in a Scavenger Hunt last Saturday evening, covering most of the Canyon in search of queer objects. The party was in honor of the birthdays of Bonnie Miller and Shirlian Lonergan, at Shirlian's home.

CANYON BOY SCOUTS cleared well over $50 in their annual paper drive.

SEA SCOUTS of "Buccaneer 58," as part of the navigation training program they have been taking at Berkeley night school classes, were aboard a Coast Guard cutter last weekend for a training cruise around the Bay.

CANYON EXTENDS a hearty "Welcome Home" to Mrs. Eva Thune and children, Caroline, John, Jr., Linda and Becky.

MRS. JOHN MacKENZIE and daughter, Lois, are visitors at the home of Mrs. MacKenzie's father, Charles Tripp at Schilling, Calif.

IT WAS "BRIDES" DAY in Canyon last Sunday, when three former local girls visited here. Mr. and Mrs. Jimmy Currier were visitors at the home of the Robert Edwards. Mrs. Currier is the former Barbara Edwards. Mr. and Mrs. James Elliott were guests at the home of Nadine's parents, Mr. and Mrs. Henry Bierman. Pvt. and Mrs. Don Cooper spent Sunday at Pvt. Cooper's parents' home. Mrs. Cooper is the former Barbara DeTar.

AND A GENTLE REMINDER to dust off those dancing shoes for the "Farm" dance tomorrow night at the Inn. Come and meet Clementine, the Canyon Cow!

Will you be killed tomorrow? Drive very carefully.

Commuters Win in Dispute on Fares With Greyhound

Commute fares on Pacific Greyhound Lines will remain unchanged in Contra Costa County as a result of a State Public Utilities Commission ruling on June 1.

However, intrastate increases were granted the Greyhound company which will send the cost of a single Walnut Creek to San Francisco ticket up from 55 cents to 70 cents starting sometime after June 21.

A round-trip ticket to San Francisco from Walnut Creek will also be raised from $1 to $1.30 by the commission's ruling.

Greyhound had requested increases of 30 per cent on commute fares in Contra Costa County. Brunt of the battle against the commute fare increase was carried by the Contra Costa Commuters Association who employed Attorney Spurgeon Avakian to present their case before the P.U.C.

In announcing their decision the state commission said the Greyhound company will lose $10,800 in Contra Costa next year but that "advances in the other fares will provide a reasonable margin between revenues and expenses for Greyhound's over-all intrastate operations."

On the increase granted it was estimated Greyhound will get a return of approximately $1,801,900. This estimate is pared down to $664,500 after taxes.

COMMENTING ON the Commission's ruling, President Aubrey Macomber of the Commuters Association, said:

"We are gratified to learn of the Commission's decision. I consider the order entirely fair and in line with the facts that were brought out at the hearings.

"The Commuters Association went to considerable effort in presenting a case for the Contra Costa County commuters before the P.U.C. with the conviction that an increase in our commuter rates was not warranted at this time. We are pleased to see the Commission's decision has borne out our contention.

He's Now Capt. DeTar

Henceforth, Bob DeTar of the Sun mechanical department staff should be treated with more formality. Coworkers who addressed him as "Hey, Bob," when he was a first lieutenant in the Air National Guard are warned that he has just been promoted to Captain, Air Force, 144th Installation Squadron, and has been assibned as squadron commander.

Captain DeTar is the son of Mr. and Mrs. Carl G. DeTar of Brook Street.

Realtors Will Call Time Out to Picnic

Real estate sales in the area will slow down Monday when the Contra Costa Realtors Mart stages its annual picnic at Castle Rock Park.

The big outing starts at 12 noon and will continue until overtaken by darkness. The night owls will take over then.

Tickets are going fast at $1.50 each and there will be an additional 25 cents admission to the park, according to Mabel V. Anderson, the "Gal Friday" at the Mart.

Diablo Red Cross Meeting June 18

Mt. Diablo Chapter of the American Red Cross will hold its annual meeting on Monday, June 18, 1 to 4 p.m., at the Coast Counties Gas Company building in Walnut Creek. Reading of the revised by-laws, annual reports from committee chairmen and a report on the progress of the new Red Cross Building are scheduled in the business for the day.

Because the Mt. Diablo Chapter is a community project, all persons who have contributed one dollar or more to the recent membership fund drive are invited to attend the meeting to gain an insight on the activities being conducted locally.

Chris Inman-Kane Honored at Lunch

The Blue and White colors of Acalanes High School were table decorations for an El Nido luncheon last Saturday honoring Christine Inman-Kane, member of the June graduating class at Acalanes.

Hostess was Mrs. Gilbert B. Findlay of Palo Alto, aunt of Christine. The guest of honor is the daughter of Mr. and Mrs. John D. Inman-Kane of Upper Happy Valley Road and plans to enter Whitworth College in Seattle this Fall.

Guests were Carol Racine, Ann Pendleton, Barbara Elliott, Dodie Bee, Janet Jansse, Doris Mortara, Janet Chantler, Katherine Lyser, Dorothy Bedard, Judith Woolsey and Carola Courtright.

Joint Lafayette, Orinda Installing By Lions June 18

Lafayette Lions are planning for their annual installation ceremony, to be held jointly with Orinda Lions Club at Orinda Willows June 18.

Designated as "Ladies' Night," the evening will include dinner and dancing in addition to the induction rites.

PAST INTERNATIONAL Director Tommy Nielsen will be installing officer, seating the new panel of both clubs. Earl Creager is in charge of the Lafayette group's reservations, according to Ernie Hansbearry, publicity chairman.

Jack Thies of the Orinda service club is general chairman of the affair, assisted by Joe Navone, George Hartzell, Sr., and Roy Nason.

PLANS FOR THE semi-monthly meeting of Lafayette Lions Tuesday include a musical program, being arranged by Lion Hansbearry.

Don't burn without a permit.

Saturday Closing For Amer. Trust

Starting July 7 the banking offices of the American Trust Company will be closed on Saturdays.

This was announced today from their San Francisco office with the brief notation that the Saturday closing will continue "until further notice."

Bank of America and Central Bank officials in Lafayette and Walnut Creek said they had no plans for Saturday closing, although most other banks are going along with the "no Saturday" business plan.

One official of the American Trust Company elaborated with the statement that a survey of depositors had been made and the bank was confident the Saturday closing would not cause any inconvenience to depositors.

"The banking business is simply following the national trend toward a 5-day work week," the spokesman said.

Visit Ghost Town

Mr. and Mrs. W. A. Sohler of Hidden Valley relived the colorful history of the Old West when they included Knott's Berry Farm and Ghost Town in Buena Park in their visit to southern California.

Proving There Is Strength in Unity . . .

Public CONFIDENCE in California's Public Utilities Commission is undoubtedly stronger as a result of its decision to "hold the line" against the Pacific Greyhound Lines plea for increased commute fares in Contra Costa County.

The Commission's decision cannot be fully termed a 100 per cent victory for the public inasmuch as intrastate rate increases were granted. This means single tickets not purchased in commute book form will jump from 55 cents to 70 cents for a ride from Walnut Creek to San Francisco; from $1 to $1.30 for a similar round trip.

But on the surface — at least — it appears the Commission did recognize a JUST CASE in behalf of regular commuters.

However, all the handshakes should not go to the Commission.

A big PAT ON THE BACK goes to the commuters themselves. They are deserving of more than passing praise in their organization of the CONTRA COSTA COMMUTERS ASSOCIATION. The Association did much to aid in presentation of a STRONG and CONVINCING case.

All of which proves the "little man" has a chance when he locks hands with his neighbor in a joint effort to do a job.

There's always STRENGTH IN UNITY.

Cap Sandford Sez:

TO WHOM IT MAY CONCERN . . . It takes a lot of different kinds of people to make a world.

The following remarks are directed to certain people who I think should take stock of themselves and make a strenuous effort to do better.

THE AUTOMOBILE DRIVER who dashes madly at high speed at a pedestrian trying to cross the highway in a pedestrian lane. There are evidently two schools of thought on these potential murderers. Traffic officers inform me that I am "king in the pedestrian way." But what good is a dead king?

The other school of thought was demonstrated when I stepped in front of one nitwit in order to save myself from being smashed to smithereens by another nitwit. The first greeted me with a bellow of abuse, "The cops will get you!" And all this in the same pedestrian way in which I got bashed up before.

I think the highway department is to some extent to blame for the timing of their signals, because one signal invites you out to supposed safety only to place you in jeopardy while the other signal is launching an avalanche upon you.

FAST DRIVERS on Moraga Road and Moraga Boulevard.

One of these is going to kill some person soon unless something drastic is done about it.

PEOPLE WHO PARK their cars across the front of office private parking area in such fashion that customers cannot get in or out. I feel as though they were making a deliberate effort to ruin my business.

I wonder how such persons would feel if I deliberately barricaded the entrance to their place of business.

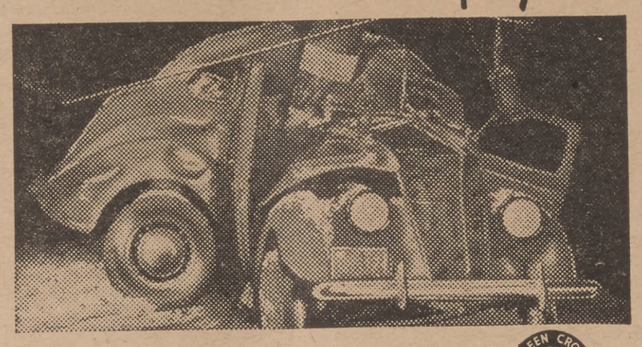
Here lies the life of the party!



In the midst of merrymaking it's easy to forget how often "one more drink" leads to one more traffic fatality. *If you drink, don't drive . . . if you drive, don't drink.*

GREEN CROSS FOR SAFETY

Be Careful—the life you save may be your own!

Sven Groennings Thanks Backers

Sven Groennings, who was defeated by Art Siler in the election for Acalanes Student Body president, declared this week that running for the office was "a worthwhile experience."

In a statement to "Acalanes Dons and Donnas," Groennings said:

"At this time I would like to thank those of you who supported me in the Student Body presidential race, particularly those who spent so much time and effort on my behalf.

"Because my opponent is a very likable and outstanding fellow, running against him was a worthwhile experience, and I feel it was an honor to have come so close to winning.

"It is a shame, of course, to have a shadow cast on the fun by some irregularity in the balloting, but I want you to know that I am absolutely sure my opponent had no part in the fraud.

"He deserves our good will and support in the coming year.

"Let us therefore wipe the slate clean again and see to it that violations of election rules will not be repeated. Then we may be proud of having attended Acalanes High School."

Here's One Way to Beat Food Costs! . . .

By GLADYS SHALLY

If food prices continue to soar there will begin a back-to-the-hills movement. If the Indians could live off the land, maybe we can, too—maybe we'll have to.

Take inventory of the natural foods available in our Contra Costa hills. There is miner's lettuce and water cress for salads—you might add a little sliced wild cucumber and wild onion; wild mustard, turnip, radish or dandelion for cooking greens, with bay or mint for seasoning.

In the wild berry family are found strawberries, blackberries, thimbleberries, currants, gooseberries, elderberries, and huckleberries. There you have the "makings" for jam, jellies, pies — or wine. There are several varities of edible mushrooms grown locally.

For meat?—Old-time settlers ate ground squirrel with relish, and there are rabbits, cotton-tails, quail and dove.

We could learn again to make Yerba Buena tea, such as made by the early Spanish settlers from the delightfully aromatic leaves of the "good herb." Chinquapins and hazel nuts make good eating.

And a really useful bulb—especially for small boys—is the soap plant. The bulb of this member of the lily family was used long ago by both Indians and Spanish for soap-making.

If living costs rise much more we may even have to resort to the old Indian trick of making the poisonous buck-eye edible by soaking it through 10 waters, then drying and grinding for flour. We could always use acorns, manzanita and madrone berries as they did .

But let us hope we may never be forced to adopt a delicacy the Digger Indians favored—ground worms!

Outstanding Students Applauded At Acalanes H.S. Awards Assembly

Acalanes student body applauded outstanding Don students at a special Awards Assembly Tuesday.

Don Cvietusa, student body president, was awarded the perpetual school citizenship cup for his leadership and participation in general student activities.

Bank of America Achievement Award winners were Janet Chantler, who won both the local and regional competition and received $500 and a gold Achievement cup; Joie Pearson, Industrial Arts cup winner, and Katherine Lyser, Science Achievement Cup winner, who also received the Bausch Lomb Science Award and the Westinghouse Science Award for her aptitude in the field of science.

Bank of America Achievement certificate winners were Peggy Gray, Joyce Cotteral, Joan McCrum, Joie Pearson, Juanita Velasquez, Ann Parker, Janet Chantler, Elizabeth Bahls, Katherine Lyser and Allen Ames.

AMERICAN LEGION Citizenship awards made by Bert Steet, Americanism chairman and past commander of Lafayette Post 517 were given LeRoy Atkinson and Chrissie Inman-Kane.

Special Rotary Club awards were given to Court Bacon and Robert Fox for outstanding sportsmanship.

Special awards were given to Peggy Grey, Diane Green and Jeanette Busch for their work on a mural being painted adjacent to the school library depicting the growth of Acalanes Valley.

A HARVARD PRIZE BOOK award, presented by the Harvard Club of San Francisco, was awarded Art Siler for his scholastic, athletic and general display of competence over the school year.

Jeanette Busch, Sara Spoon and Elizabeth Bahls were cited winners in the upper division, American Legion Essay Contest, while Marilyn Lawrence won in the junior division of the Legion contest.

Student artists who received awards for their work on American Legion Poppy Posters included Ann Pendleton, Janet Bailey, Pat Nunley and Bonnie Traskowski.

Awards were also presented students for work in audio-visual department, stage crew, the school paper "The Blueprint," and Don athletic squads in golf, baseball, ennis, swimming and track.

Local Girl Scouts To Be in Radio Play

Circle June 26 on your calendar if you would like to hear a good 15-minute radio play.

That it will be on the air at 5:30 p.m. on that date is assured by the fact that the 10 members of Lafayette Intermediate Girl Scout Troop 43 traveled to Pittsburg last Saturday to make a wire tape recording at Radio Station KECC.

After hearing the play-back and watching the news come in on the teletype machine; and seeing the announcer introduce the noon news and operate the control panel, the girls reluctantly took their leave.

New Deal at Girl Scouts Day Camp

Here's news for girls from third through eighth grades!

At a recent meeting of the day camp committee it was decided that the day camp of the Diablo Valley Area Girl Scouts which is to be held on Mt. Diablo from June 18 to July 20 wil lbe open to all girls irregardless of scouting affiliations.

Transportation to the camp will be provided by buses scheduled to leave Pleasant Hill Shopping Center at 8:30 a.m. and the Walnut Creek Grammar school at 9 a.m. The bus will return to Walnut Creek at 4 p.m. and Pleasant Hill at 4:15 p.m.

'Swim for Safety' Dates Open in July

Mt. Diablo Chapter of the American Red Cross has made preparations for its 1951 "swim for safety" program to be held at Acalanes High School pool during specified periods during the vacation months.

Enrollment cards and mimeographed announcements have been distributed in the schools in that area within the boundaries of the Mt. Diablo Chapter.

Walnut Creek, Parkmead and Buena Vista area school children and adults will have the period from July 10 through July 21 set aside for them. Those school children and adults wishing to take part in the program, from Pleasant Hill and Diablo Vista Schools environs in the Walnut Creek area will share the July 24 through August 4 session with Orinda and Glorietta Schools of Orinda.

ANY CHILD in the chapter area may attend one swim session. If he misses attendance during the regular period set aside for his school, he may enroll for the concluding session August 7 through August 18.

Exception to the ruling on designated period attendance will be that of Junior and Senior Life Savers, where each class is open to Life Savers from any district within the specified boundaries of the chapter.

Schedule for the pool each session is: 8:30 to 10:30 a.m., life savers; 10 to 11 a.m., intermediates, boys and girls; 10:30 to 11 a.m., beginners, boys and girls; 11 to 11:30 a.m., non-swimmers, boys; 11:30 to noon, non-swimmers, girls; 11 to noon, swimmers, boys and girls; 12 to 12:30, adults.

Mrs. Karl Pape is chairman of the first aid and water safety program in which expert instruction is given in all phases of swimming during this annual "water safety" campaign.

Your Garden

When You Take Off on Your Vacation, Don't Forget to Arrange Garden Care!

By BERT WRIGHT

VACATION TIME is just about here—but not for the garden.

Although many of use are now planning our annual jaunt to the seashore or the mountains for a week or two, our gardens are growing and blooming.

Give your garden a break when you do leave on your vacation. Many weeks' work can be completely obliterated in a few days if your garden is neglected during the warm summer days.

ONE WAY TO SAVE many of your plants before you leave is the apply a heavy mulch of peat moss or redwood bark. This will keep and hold the moisture many times longer than if the ground is directly opposed to the hot sun.

If possible, try to obtain the help of your neighbor boy. He can do much in caring for your garden if properly instructed. Make the work easy for him by having the necessary garden hose and proper sprinklers.

BECAUSE OF THE tremendous results that I have achieved in both summer mulching and winter mulching I cannot praise it enough.

If those of you who are not familiar with this process will drop me a line, I will explain the facts more in detail. It can save, many, many hours of watering and labor.

Mrs. E. N. of Orinda wants to hear something about camellia care during the months of June and July.

NOW IS THE TIME to fertilize camellia plants for the second time this season. In many cases it will probably be the third or fourth, depending on the richness of the soil.

Repeat the dose given to them three weeks ago. Keep them well mulched, too, all through the summer. This practice serves three purposes: to conserve moisture in the soil, to prevent weeds from growing and to keep the sun from burning surface roots.

Once the mulch is applied, it must not be allowed to rot away, lest the roots get burned by the sun.

PLANTS SHOULD BE SOAKED thoroughly with water at least twice a week.

Red spider is likely to make its appearance about this time, causing the foliage to turn brown. If a sticky red substance clings to your fingers when you rub them over a few leaves, you can be sure that the red spiders are at work.

MORE TROUBLE CAN come to your camellia plants in July in the form of phomopsis blight, which forces some of the branches to dry up completely in a few days.

This disease is invisible on the outside of the bark. When you find a dead spot, scrape beyond it for an inch or two, and then cut off the entire branch at that spot, being sure to get rid of all the dead wood. Paint the cut branch with a suitable past product.

IN AUGUST, KEEP your plants well watered and mulched, as the weather is still hot. Do not use any spray during this month unless absolutely necessary.

The buds should be well developed by this time, and the early blooming varieties should begin to bloom.

The blooming season of camellias runs from August through March. Nothing to do in September but keep watering.

Fertilizing can be continued until blooming time. Then, of course, it should be stopped until after the blooms are finished.

Mail your garden questions to Bert Wright, P. O. Box 151, Lafayette, and they will be promptly answered.

Diamond K Sez . . .

THIS WEEK let's talk about pest control in the home . . . and then lawn planting.

This is the time of year when many of us start our annual battle against sand flees and ants. During these hot days, ants can become a particular problem. You can get up in the morning and find your kitchen has become "alive" with ants.

There are almost as many "cures" for ants as there are ants, including syrup trails, stakes, powders and sprays. Probably the most effective is through the use of Chlorodane.

This poison was developed at the University of California as a successor to DDT. It kills by absorption. Sprinkling it around the drain boards will kill the ants. Placed around the doors and foundations will keep them from coming into the house.

However, whatever your favorite type may be, I'm sure you'll find it available at Dia mond K.

NOW IS THE TIME to start thinking about planting that fall lawn. We have an ample stock of tried and true lawn mixtures and Canadian peat moss We also have lawn rollers and fertilizer spreaders available on loan.

Like to be
Sitting Pretty?

You don't have to be "in the chips" to be sitting pretty these days. Chair Car seats on S.P.'s great new trains offer the best sitting there is, at the lowest rates around. You recline in luxurious ease, while the engineer drives you. (On long trips, leg rests provide a chaise-longue effect.)

Chair Cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and move-around room. Extra large windows. Feather-touch doors. Spacious washrooms.

That's why Chair Cars on S. P. streamliners are the most luxurious form of all low-cost transportation.

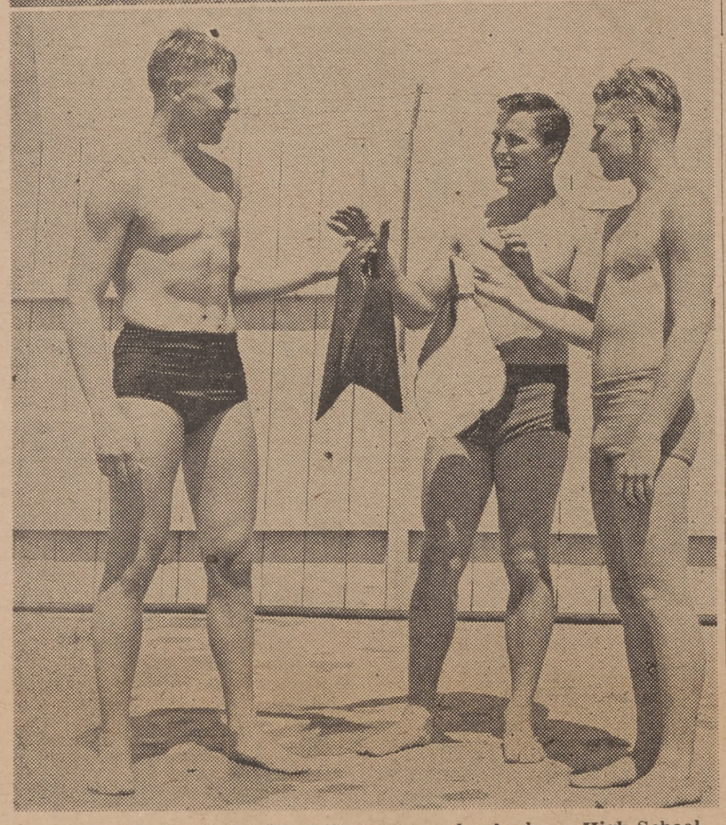
Hours: Daily 7 to 5, Sat. 8 to 12
Moraga Blvd. near the Railroad Depot
Dick Fender
Lafayette



ABOVE ARE JUST A FEW of the reasons why Acalanes High School students were interested in Edwards Field on the University of California campus in Berkeley a week ago Saturday when the state high school track meet was held. Acalanes top-flight cindermen are here; standing, left to right, Gary Coad, hurdles; Bob Wickman, hurdles; Darrell Crossman, sprints and relay, and Bill Powers, high jump. Kneeling, left to right, are Cort Bacon, mile; Ed Broome, sprints, broad jump and relay; Joie Pearson, relay and 440. The Dons trackmen "cleaned up" in Contra Costa competition this year and look forward to another great track team next season.
DON VARSITY SWIMMERS have been equally as successful in school competition. They're the champs! Seen here in a bit of horseplay are, left to right, Eric Hubach, Tom Roemer and Dick Hubach. The Hubach brothers offer Tom a pair of fins and water wings to aid him in his assaults on new swim records. (Photos by Mattson)

Contractor Role In Home Building Lauded by Knight

Members and guests of the General Contractors Association of Contra Costa County gathered at Planters Dock recently to hear Lieutenant Governor Goodwin J. Knight.

They also heard Neils Schultz, Sr., regional vice-president of the National Association of Home Builders; Dan C. Peacock, Jr., national director of the Contra Costa Association, and Tom McMorrow, county director of sanitation.

KNIGHT STATED THAT the construction industry was one of the main bulwarks against communism and socialism in America due to the fact that the builders were willing to take a calculated risk and profit on the basis of individual effort.

He congratulated the Contra Costa Association members on their production of homes in the county to make Contra Costa the fastest growing county in the nation.

THE NATIONAL BOARD of Directors meeting and the Regional Vice Presidents' meeting of the National Association of Home Builders in Washington, D. C., May 14-17, were highlighted by Peacock and Schultz .

Peacock stated that the main problem facing builders now is a shortage of mortgage money.

Schultz urged the membership to join in the industry mobilization drive chairmaned by Sherman L. Balch, Walnut Creek builder, to assure proper representation of the building industry before local, state and national bodies.

McMORROW DISCUSSED the proposed ordinance regarding septic tanks which are to be installed in the county. He pointed out that the proposed ordinance would place such installations under Dr. H. L. Blum, county health officer, and would require an inspection of all lands prior to septic tank installations.

The followig new members were introduced:

Harry Vodian of the Majestic Built-In Fixture Co., Concord, and Garry Grover, Lafayette builder, sponsored by Don Lawrie; Paul B. Kollewe, Richmond builder, sponsored by Larry Lopez; Joe Piastreil of the Diablo Sheet Metal Works, Walnut Creek, sponsored by Sherman Balch; O. L. McKenzie, Oakland builder, sponsored by H. Otis Sweeney; Hans Rodde, Walnut Creek builder and T. Jacobini and Son, Walnut Creek plastering contractor, sponsored by Phil Firestone.

Breed, Rheem Deeds Accepted By Supervisors

Deeds from Arthur Breed, Sr., and Don Rheem, turning over to the county approximately five-foot-width sections of their sidewalk strips on Moraga Highway, were accepted by the Board of Supervisors Monday.

Acceptance of the deeds clears the way for county widening of Moraga Highway from Golden Gate Road to Camino Encinas, with a maximum five-foot widening in front of the Orinda Hardware and Sprouse-Reitz.

This work, County Supervisor Jack Cummings has promised, will include setting the sidewalk back and building a new curb.

At request of A. W. Elkinton of Honey Hill Road, the board officially named Honey Hill Road just that. Previously, the road connecting Miner and Charles Hill Roads, had no official name, although it was generally called Honey Hill Road.

Tony Learns How To Lock Doors

Eighteen-month-old Tony Claar will probably be careful about monkeying with door locks for a while. While he and his mother, Mrs. Robert Claar of El Cerrito, were visiting Mrs. Robert S. McCarter of 48 Sanborn Road, he inadvertently locked himself in the bathroom Monday night.

Assistant Fire Chief Al Winsor and Fireman Howard Gorman removed the door from its hinges, and freed Tony, none the worse for wear but vociferously irritable.

Ill Wind? Ask Window at P.O.

An ill wind that blows no good? Maybe so. But Monday's energetic breezes were the cause of a crack in the plate glass window at the front of the Orinda postoffice.

According to Postmaster Laura Mallary, the pressure inside the building was increased because postal employees kept opening the back door. There is no transom or air outlet at the front.

When the interior became filled to the bursting point with air, the pressure against the window loosened one of the clamps, with the result that a lower corner of the glass jutted out and a crack appeared in the glass.

The area in front of the building was roped off until a new glass was installed. Mrs. Mallary said that Don Rheem, owner of the property, indicated he would have a metal corner piece hold the new window firmly in place.

Farewell Party for Mothers Club Board

The Orinda Mothers Club board is giving itself a farewell party tomorrow. It will meet at 6:30 at the home of Mrs. Charles Coburn and then sojourn to the home of Mrs. Joseph Downs for dinner.

The board members so enjoyed working together this year that this social affair was planned so that the husbands might get in on some of the fun, too.

Dance Recital by Children June 22nd

Lila Murphy will present her fifth annual Dance Recital Friday evening, June 22, at Acalanes High School auditorium. Approximately 150 children will participate.

The "Ballet Egyptian" danced by the older girls and the "Indian Theme" by the intermediate class will highlight the first half of the program.

Several classes, including the three-year-olds, will take part in the "Leprechaun's Gift," an Irish dance drama. This quaint little story was told to Mrs. Murphy as a child, and it has been a source of pleasure to her to bring it to life in the dancing classes.

For the benefit of the very young in the audience, one class is presented with its own interpretation of "Peter and the Wolf."

"Swan Lake," the featured ballet, will be danced by the ballet class. This is a full-length ballet performed to the beautiful "Swan Lake" music of Tschaikovsky.

Ably danced by the toe pupils, this ballet, it is hoped, will be as thoroughly enjoyed as was their "Coppelia" of last year.

Tap, acrobatic and diverse numbers will fill out the two hour program.

Home-and-Garage Permits Issued

were issued in the area for the week ending May 18. Four residences and garages, a garage unit and a swimming pool were listed as the classifications.

Residence and garage permits were granted to the following:

Owner and Builder Harry J. Bensen, Alameda, Lot 17, Orchard Road and Brookside, Moraga Manor, estimated cost $12,900.

Owner and Builder C. E. Phillips, Orinda, Lot 138, Van Ripper Lane and St. James Court, Sleepy Hollow, estimated cost $9,903.

Owner and Builder Garry Grover, Lafayette, Lot 15, Greenwood Court and Calvin Drive, Rheem Highlands, estimated cost, $10,455.

Owner and Builder E. J. Bergeron, Oakland, Block D, Lot 33, southwest corner of La Cresta Road and El Nido Court, Moraga Del Rey No. 1, estimated cost $9,000.

Garage construction o.k. was issued Owner R. C. Kersh, 64 Altamont Drive, with P. B. Kollewe, Richmond, listed as builder, Estimated cost $1,440.

Permit for a swimming pool, to be constructed by Landon Pools, Belmont, was granted Mrs. B. Barrows, 556 Miner Road, with cost estimated at $2,000.

Federal civil service examinations for Firefighters, $2900 to $4150 per year, are announced by the Army and Air Force Board of U. S. Civil Service Examiners, 1000 Geary Street, San Francisco 9. Positions are located at Camp Stoneman.

Happy Birthday to You

CRAIG CRAWSHAW'S fourth birthday was on Decoration Day, and this fact enabled him to enjoy a two-day celebration. He is the son of Mr. and Mrs. Fred S. Crawshaw of La Vuelta.

On May 29 youngsters in the area gathered at his home for a party which included lunch and games. Guests were Betsy Merrill, Gay Price, Tommy Unruh, Dirk Von Guenthner, Vickie Brown, Janie Hawes and Todd Crawshaw, Craig's brother. Mothers of the young folk also had lunch at the Crawshaw home.

The next afternoon, Craig was again honored as friends and relatives gathered at the Crawshaw residence for a barbecue.

BOBBY SHURTLEFF celebrated his tenth birthday with a barbecue supper followed by the movies. His guests received miniature hunting knives in leather cases.

RALPH REID was six years old May 26 and had the following guests to help him celebrate: Kip Farington, Scott Buntley, Ted Howard, Bob Eberlin, Bob Blue, Cris Coombs, David King, John Miller, Pat Gillivan, Cheryl Wilson, Kristine Black, Barabara Boles, Susan Etingen and Leslie Reed.

WADE WALLACE was host to a group who enjoyed dancing and refreshments in honor of his 12th birthday May 26. His guests were Susan Wassen, Judy Parker, Norma Waddell, Patty Courtright, Virginia Stahle, Geraldine Morairity, Lynn Wiggins, Cathie Young, Natalie Pray, Wally Marsh, Johnny Lambert, Chuck Coburn, Richard Normand, Chip Peacock, DuVal Geissler Philip Dempster, Jeff Rankin and George Harrison.

GRIGG DeWITT entertained a few of his friends for dinner and a movie, the occasion being his seventh birthday. Attending were Bill Schwarck, Cris Felchlin, Ted Brock, Charlie Brock, Steve Miller, Ricky Collins, Clint DeWitt, Dick Sutleff and Tom Rodgers.

JULIE SMITH was four years old May 26 and had a garden party complete with favors, games and refreshments. Her guests were Katie Dullum, Bonnie Mintun, Vicky Brown, Salley Sutton, Denise Cullum and Peggy Schmidt.

JAY JACOBUS has his birthday the day before Christmas, which is a bad time to celebrate a birthday, what with all the holiday excitement and preparation. So Jay picks a day in early summer when everyone can do justice to his birthday.

This year, Jay's sixth, he chose May 26. He took his guests to Teatro para Ninos and had a party afterward, complete with refreshments, birthday cakes, whistles and all the trimmings. His guests were Tommy Richards, Dan Flemmer, Bobby Clifford, Johnny Cooper, Paul Rieger and Bobby Ross.

BRENDA TROUNCE celebrated her sixth birthday May 26. Joining her were Patty Anderson, Kathleen Bechtal, Laurie Cristie, Carol Courant, Karen Kohler, Ginny Phair, Susan Rochester, Sally Schmitt, Jane Seaman, Roxanne Tess, Laura Wallace, Kitty Wilbur, Estelle Cataline, Donny Granberg, Charlie Ward, Erick Unruh, Diane Carr and Jackie Carr.

RICKY MERRIAM celebrated his seventh birthday May 27 with a cowboy party followed by the Orinda show. His guests were Mark Gentry, Steven Gentry, Karl Ogden, Bruce Wilkie, Kip Farrington, Bob Merriam, John Reily, Scott Huntley, John Cooper, Don Flenner, Milo Spach and Bobby Blue.

BECKY HARRIS was 10 years old May 19. She gave a luncheon and swimming party at the Park Pool. Joining her were Susan Libby, Gail Fries, Susan Fink, Linda Axelson, Christine Olsen, Susan Allen, Bonnie Nickerson, Betty Brown, Jane Knudsen, Joy deKorne and Diane Nielson.

LAURIE SMITH had guests for lunch, followed by Teatro para Ninos, to help her celebrate her sixth birthday. Her guests were Nonie Borden, Joan Borden, Bunky Kahl, Vaile Smith, Allen Smith, Ann Chickering, Heidi Jurs, Nell Chamberlain, Rodger Smith, Kimball Smith and Nancy Turner.

DON FLENNER

Don Flenner, 52 Acacia Drive, celebrated his seventh birthday June 4 with a party at his home. Twelve friends from his first grade at the Orinda School enjoyed the movies which followed the ice cream and party cake. Don's guests were Mary Baker, Steve Beckett, Bobby Clifford, Carolyn Coburn, Judy Lucas, Denny Lucas, Jay Jacobus, Ricky Merriam, Paul Rieger, Roger Roos, Linda Sears, David Gregersen and Lorraine Flenner.

MUREEN COLLINS celebrated her sixth birthday recently, inviting six guests to share her cake and ice cream. Those invited were Duke and Bobby Gibbs, Maureen Downs, Sue and Janice Gulley and Cheryl Locklin.

Introducing...

Miss Carmen—Hair Coloring ARTIST of the West Coast. NOW WITH Ralph & Owen

at the Walnut Beauty Shop

bringing you Roux color shampoo, the last word in haircolor beauty.

5.00

- Roux color shampoo gives a new beauty treatment, for teenager or dowager!

Youth Day Rites Set for Sunday

The partially finished chapel of Orinda Community Church is to be the setting of the church's annual honoring of its children and youth in special Youth Day services at 11 a.m. Sunday.

Jointly conducted by Rev. Fred R. Morrow, the minister; Everett D. Howe, superintendent of the Church School, and C. Ray Fowler, youth assistant, the usual order of worship will be altered to include numbers by members of the Orinda School band, led by Oscar Busch, and by the church's junior choir under direction of Margaret Popovich.

Younger departments of the Church School are planning contributions to the program in line with this year's curriculum. A Biblical puppet play will be given by a girls' class led by Mrs. C. L. Blue. A dramatization, "Around the World on Your Magic Envelope," is being prepared by junior and intermediate pupils under Mrs. Lance Barden's direction. The instrumental call to worship will be given by James Hall, trumpeter.

The service takes the place of the usual 9:30 program for all members of the school, who are inviting their parents. This is to be the final service at that hour for the current school year, since on June 17 both school and church services will be changed to 10 a.m. in simultaneous sessions.

The Summer schedule is for the greater convenience of worshippers and parents, who are thus able to attend church while their children are in classes.

Summer Schedule At St. Stephen's

Dr. Frederick A. Schilling has announced the following schedule of services for St. Stephen's Episcopal Church:

Regular devotional services, 9:30 a.m. on Sundays. Both the 8:30 plain Communion and the 11 o'clock morning services will be discontinued for the duration of the summer.

A special baptism service was held Sunday, May 27, for Elizabeth Margaret Blades and Christine Shurtleff, baby daughters of the James E. Blades, Jr., and the Eugene Shurtleffs, respectively.

THE LOVELY IMPORTED altar candlesticks given by Mr. and Mrs. Sayer Snook in memory of Mrs. Snook's son, Thomas Fowler, and English altar vases from members of the Altar Guild were dedicated at special services last Sunday.

Mrs. H. W. Pillsbury and Mrs. George R. Over reported that the Diocesan Altar Guild meeting which they attended in San Francisco last month was of special inspirational as well as practical help.

ST. STEPHENS WOMEN'S Auxiliary meeting yesterday at the home of Mrs. William C. Hagens in Sleep Hollow welcomed Mrs. Pillsbury as the new head of the Altar Guild.

Reports were made on the Women's Auxiliary Clinic of the Oakland Convocation recently held at St. Albans.

Delegates, headed by Mrs. Ida Zamloch, were selected to attend the Diocesan Women's Auxiliary meeting next Friday, June 15, in Walnut Creek. Anyone interested in attending should contact Mrs. Zamloch at Orinda 2275.

Final choir meeting of the season will be held Monday at the home of the Robert Moorheads on Via Floreado. Following the usual business meeting, a social hour with refreshments is planned.

Will you be killed tomorrow? Drive very carefully.

Mr. and Mrs. Orinda . . .

'Bummy's' Tones Sure Aren't Bum!

Those bell-like tones emanating from Clyde Bumgarner's shower these past few weeks have been more than idle exprssions of the joy of living.

"Bummy," John McElravy of Pleasant Hill and two Berkeley men who form the 'Uncalled Four' quartet will compete tomorrow and Saturday in Toledo, Ohio, for the National Barbershop Quartet Championships.

This contest, sponsored by the Society for the Preservation and Encouragement of Barbers h o p Quartet Singing in America, Inc., brings together the 30 best quartets chosen from many hundreds in local and regional eliminations.

The "Uncalled Four," sponsored by the Berkeley Chapter, serenaded the Orinda Barbershoppers last week. The music was judged to be of championship caliber, and "Bummy's" Orinda friends are wishing him every success.

Californians on Christian Science Lecturers Board

Two Californians have been selected for membership on the Christian Science Board of Lectureship. Mrs. Emma Louise Garrett of San Francisco and Henry Allen Nichols of Los Angeles, both Christian Science practitioners, were named to the board of lecturers by the Christian Science Board of Directors.

Announcement of this was made in Boston, where nearly 7,500 Christian Scientists from all over the world assembled at the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston.

Highlighting the Boston meeting was a special message from the Christian Science Board of Directors declaring that complete defense from disaster and destruction is available to all through the clear spiritual understanding of God.

The directors said the deepest laws of the universe are spiritual laws of harmony and can be utilized for individual protection and also for the preservation of human freedom.

Several hundred Californians attended the meeting. Dr. Walton Hubbard of Los Angeles was chosen by the directors to read the annual report of Christian Science Charitable Institutions. George Channing of San Francisco was reappointed manager of committees on publication. Richard J. Davis of San Jose was named to another term as editor of the weekly and monthly religious periodicals.

New president of The Mother Church for the coming year, it was announced, is Mrs. Lora C. Rathvon of Boston. Mrs. Rathvon said that never was the need more urgent to look beyond the material sense of life, to "see man as God's spiritual idea." This theme was also emphasized by Walter S. Cross of Fitchburg, Mass., retiring president.

Christian Science Topic: God, Creator

"God the Only Cause and Creator" will be the subject of the Christian Science Lesson-Sermon for Sunday, June 10, to be comprised of citations from the Bible and the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy. The following citations are taken from the first section of the sermon:

Isaiah 45:11, 12: "Thus saith the Lord, the Holy One of Israel, and his Maker, Ask me of things to come concerning my sons, and concerning the work of my hands command ye me. I have made the earth, and created man upon it: I, even my hands, have stretched out the heavens, and all their host have I commanded."

Science and Health: "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God" (p. 502).

The complete lesson will be read in all Churches of Christ, Scientist.

Chit and Chat about Don and Donna

By MARY THIES

JUST THINK, ONLY four days of school left! Buck up, kids, I'm sure you can live through it!

One of the most important affairs connected with graduation is the Senior Ball. This year the theme was "Cinderella's Ball," and it was one of the best dances ever held at Acalanes. Most people didn't stop with the dance but went on to parties and night spots afterwards.

The El Nido was quite a popular place, with people gathering there all night and into the morning, when breakfast was served.

Among the many couples who could be found there were Avice Hatton and Bob Winkenbach and Jackie Irving and Jim Hall.

ANOTHER FAVORITE spot was Planters Dock, where Elaine Ranker and Richard Rogers, Sally Fleager and Tom Tilton, and Chrissie Inman-Kane and Sven Groennings could be seen.

Sally Fleager and Tom Tilton were also seen at a swimming party (brrr) and at a party given by Dodie Bee. Also among the couples found at Dodie's were Janet Chantler and Clark McBride.

"THE ACALANES STORY," a film made at Acalanes showing the growth and present program, was such a success that they have planned to make another movie.

This one will be "Joan of Arc," done by the dance group, I wonder if it will ever get to Hollywood?

I'M SURE ALL OF you know by now who won the recent student body elections, but I would like to offer my congratulations to the many Orinda kids who won offices.

Art Siler was elected president, and Mike Klement vice-president. Jayne Kirk won as social secretary, and, for a new twist, Ben Randall won as a write-in for boys' yell leader.

WITH GRADUATION nearing, seniors are looking forward to two very important events.

Baccalaureate service will be held June 10 in the high school gym and graduation exercises will be on June 17 at the Acalanes Memorial Field (alias football field).

AT A RECENT luncheon given by Elaine Ranker the following girls were seen:

Lois Galbraith, Jayne Kirk, Carol Jean Earle, Chris Johnson and Francie Lagason.

In case you boys wonder what we girls find to talk about when you're not there—well, I hate to tell you, but it's probably you!

IT LOOKS LIKE Janet Chantler has done it again. She was runner-up in the Bank of America achievement awards—and as a result won $500.

QUITE A FEW OF the Acalanes Dons are showing an interest in the Navy.

It seems that Roger Dunn is taking the entrance exams for Annapolis. By the way, it has come to my attention that some girls have also taken the entrance math exams.

Boy, what we girls wouldn't give to go to Annapolis! I wonder how many of us could get in and what the boys there would say about it.

THIS IS A DEEP, dark secret—but did you know that Janet Jansse is Date Bait; Art Siler is Beautiful Brown Eyes, and Ken Ernest is Herb Caen. Gee—I never would have guessed it.

I want to thank all of you kids who have helped make this column a success. Thanks to you, it will be continued through the Summer. Keep sending in news—you can reach me by calling Moraga 8887.

SIGNAL LIGHTS

Traffic signal light bulbs are like all others in that they burn out. Consequently, if you see no signal ahead when approaching a light-controlled intersection, do not assume that the lights have been turned off. Have a look at what is showing on the cross street before venturing ahead.

Public Attitude Sought on Future Of Crossroads

The question, "What do the people of Orinda want the future of the Crossroads area to be?", will be taken right to the people.

That was decided Monday night at the first meeting of the new committee to plan Crossroads area development.

The group, consisting of representatives of the Orinda Association's Civic Affairs Committee and the East Bay Municipal Utility District, met at Orinda Grammar School.

It was agreed that the Civic Affairs representatives—Zach Montgomery, Kirk Miles, Ramsay Underwood and Frank Cayting—would "sound out "sentiment on the problem. Also, other delegates to Civic Affairs will be asked to discuss the matter with their local associations, so that a report can be made on public reaction at the June 18 Civic Affairs meeting.

Land Agent Phil Wagner of E.B.M.U.D. was present Monday night as a planning committee member. He said he would attend the next Civic Affairs gathering. E.B.M.U.D. General Manager John W. McFarland, the other member, was not present.

Wagner had with him a map of the State Division of Highways' showing tentative plans for an overpass at the Crossroads.

According to Montgomery, this overpass would by-pass the north side of the present Crossroads area and would cut partially into the pine grove area.

Golfing Winner? Lions May Decide Wednesday Night

Decision on the ultimate winner of the blind bogey golf match held May 17 at Orinda Country Club by Orinda Lions will probably be made at the Lions Club meeting next Wednesday night, according to event co-chairman, John Stoffel.

Rawling Simon, Jack Cooper and Bart McMahon tied for the perpetual trophy in this annual match, with a 67 net score.

About 10 golfers turned out for the match, which is a feature event on the Lions Club program. The perpetual trophy is donated by President Don Hunter.

Pack 52 to Meet Next Wednesday

Pack 52 meets at Orinda School next Wednesday instead of the scheduled second Friday, due to prior commitment of the school.

A circus theme will be followed, and indications are that it will be one of the outstanding meetings of the year. All parents are urged to attend and are promised an enjoyable time.

Jackson Gets New Phone Company Job

Walter Jackson of Lombardy Lane has been appointed divisional traffic manager for the new Southern Sector of the Pacific Telephone and Telegraph Company, recently formed for the Fresno area.

As soon as the school year is completed Walt, Edy, Pattie, a fifth grade student at the Orinda School, and the twins Susan and Carol will be leaving, to be missed by all their Sleepy Hollow nieghbors.

What Is So Rare As a Day in . . .

What is so rare as a day in June—?

Well, the calendar says its June, but most of the time lately Orindans would never believe it otherwise. Maximum temperatures of 89 degrees June 2 and the minimum of 42 degrees on the same date, were the only noteworthy details on the weatherman's report for the week of May 31 through June 6.

A thought-provoking memorandum on the weather bureau report is as follows: "No wind gauge, so no knowledge of wind velocity." Has it been windy?

Nancy Garoutte Fobes on 'Life' Staff

Nancy Garoutte Fobes, daughter of Mr. and Mrs. Giles James Garoutte of 35 Sandborn Road, recently became a reporter in the education department of Life magazine.

Before joining the staff of Time, Inc., Mrs. Fobes had been college editor of Mademoiselle magazine and had done research for Holiday.

Born in California, Mrs. Fobes grew up in Orinda and attended Acalanes High School. In high school she started her journalistic career by writing a daily column for the Berkeley Gazette for three years.

Mrs. Fobes went east to Sarah Lawrence College in Bronxville, New York, where she was graduated in 1946. At college she majored in political science and was editor of The Campus, the college newspaper.

After college she did some editing and translation work for the Grolier Society Publishing Company in New York and then joined the staff of Holiday for a few months. From 1947 until July, 1950, she was college editor of Mademoiselle and then went to England to study at the University of London as a Fulbright scholar.

Mrs. Fobes is 26 and was married last December to Donald E. Fobes. She and her husband live in New York City.

Mrs. Fobes likes to write short stories in her free time.

3 Brownie Troops in Fly-Up Ceremony

Brownie Troops 74, 106 and 75 had their Fly-Up to Intermediate ranks May 29 at Orinda School.

Mrs. John Gompertz' troop presented the color guard.

School Superintendent Joseph Sheaff gave an inspiring talk, and Judy Monroe gave a speech about scouting.

Leaders and co-leaders for the hree troops were Mesdames Kronke, Conda, McMillan, Wiseman, Clark, Evans, Mott, Von Guenthner and De Wolf.

The new intermediate Scouts are:

Troop 74—Lynnie Ballard, Barbara Bowman, Louise Cianciarulo, Jackie Conda, Joan Fowkes, Linda Hart, Genise Inman, Ronalee Klinkner, Linda Kronke, Donna Lane, Jean McMillan, Bonnie Ott, Karen Smith, Patricia Quinn, Suzanne Schrader, Sara Van Gilluwe.

Troop 75—Karen Anderson, Mary Jane Den, Kathy Fitzgerald, Janet Lee, Sandra Miller, Sandy Miller, Nancy Mott, Karen Peterson, Pam Phillips, Madelyn Sears, Sherly Studley, Lynn Thompson, Pam Trefts, Heidi Von Guenthner.

Troop 106—Carol Cannon Billie Jean Clark, Marilyn Daniels, Marjorie Delos, Carol Evans, Sally DeWitt, Katherine Hauter, Dale King, Marcia MacQuiddy, Arita Osborn, Amylee White, Patty Wiseman.

CALENDAR OF EVENTS

FRIDAY, JUNE 8

Santa Maria Church, children's choir practice, at the church, 3:30 to 4:30 p.m.

Boy Scout Troop 207, Orinda Night, Oakland Ball Park.

SATURDAY, JUNE 9

Orinda Mothers Club Board, farewell party, home of Mrs. Charles Coburn at 6:30 p.m., then home of Mrs. Joseph Downs for dinner.

Orinda Community Church, work day (planting, painting).

Canyon Women's Club and Canyon Civic Club, "Farm" Dance, Redwood Inn Hall, 9 p.m. to 1 a.m.

St. Mary's College, commencement exercises, Poplar Grove, 2:30 p.m.

Diablo Area Cub Scout picnic and field day, Acalanes High School, 9:45 a.m.

SUNDAY, JUNE 10

Services at Orinda Community, St. Stephen's Episcopal, Santa Maria and Christian Science Churches.

Pilgrim Fellowship, Orinda Community Church, 7 p.m.

Acalanes High School, baccalaureate service, Acalanes High School gym, 6 p.m.

MONDAY, JUNE 11

Tanagers, dessert-reading, Brazilian Room, Tilden Park, dessert at 1 p.m.

TUESDAY, JUNE 12

12-15 Club, home of Mrs. C. Malone.

Boy Scout Troop 207, Scout Hut, 7:30 p.m.

Orinda Branch of Children's Hospital.

Contra Costa County Camera Club, Orinda Community Church, evening.

Contra Costa Commuters Association Board, Acalanes High School, evening.

WEDNESDAY, JUNE 13

Lions Club, Willows, 7:30 p.m.

Orinda Nursery School mothers.

Rotary Club, Willows, 12:15 p.m.

Barbershoppers, Orinda Roost, 8 p.m.

Glorietta Improvement Association, annual meeting, Orinda Grammar School, 8:15 p.m.

Cub Pack 52, Orinda Grammar School.

THURSDAY, JUNE 14

Boy Scout Troop 200, Scout Hut, 7:30 p.m.

FRIDAY, JUNE 15

Santa Maria Church, children's choir practice at the church, 3:30 to 4:30 p.m.

Orinda and Glorietta Schools graduation exercises, Orinda School auditorium, 8 p.m.

Carl Sawyer Is Recalled by Navy

Carl Sawyer of Sleepy Hollow Lane has been recalled by the Navy for active duty. He was ordered to report to Pensacola, Florida, by June 1. Sawyer has seen 22 years' active duty with the Navy. His wife, Ruth Sawyer, kindergarten teacher at Orinda School, hopes to join him at Pensacola this summer, accompanied by Carlette Sawyer, when her school year at Acalanes High School is completed.

I'm Frank . . .

. . . and last week was a "LuLu." The heat was so bad you could fry an egg on the top of my bald head. The heat wave must have made everyone deep freeze minded, because we sold more deep freeze supplies than ever before.

I imagine just thinking of ice boxes and deep freezers made people feel cooler. Because of all this interest in preparing food for deep freeze, a lot of people became acquainted for the first time with the fine stock of deep freeze supplies we carry, such as: glass, plastic and cardboard freezer containers, locker paper and tape, aluminum foil, pliofilm sheets and bags, and also books telling you how to prepare food for a deep freeze.

The new "freezette" containers have become very popular this year. They are made of soft plastic, which are unbreakable, can be used over again, and frozen liquids will not stick to the material, which makes it possible to remove the frozen food easily.

ANOTHER USEFUL item in the deep freeze line, and which many people are not acquainted with, is "Waxseal." "Waxseal" looks no different than ordinary wax paper and comes packed in a similar way.

However, after you have wrapped an article for deep freeze in "Waxseal," all you have to do is press the outer edges of the package together, and the paper seals itself, making an airtight package.

"Waxseal" sells for 59c a box and is good to have in the kitchen for many other uses also.

ORINDA HARDWARE (THAT'S where you can buy all this deep freeze stuff I've been telling you about) has been a very busy place this spring.

If you ride around Orinda these days, you'll find everyone out burning weeds, spraying shrubs, mowing lawns, painting fences, watering gardens and preparing for barbecues.

Most of these jobs are made easier by some gadget from Orinda Hardware, and it keeps us busy trying to keep in stock all the items people demand of us.

However, it's a lot of fun trying to get the right tool for the job, because there is a lot of satisfaction in doing a job with the right tool. All you have to do is ask some one of the many fellows who have bought a Universal Tiller this spring if this isn't so.

What used to take hours of back-breaking work with a shovel and hoe now only takes a few minutes with the Universal Tiller. Then they have more time to run down to Orinda Hardware for charcoal for a barbecue in the afternoon.

SINCE "TUBBY" (that's the smiling-faced guy with the glasses, brown curly hair and big tummy) started working with us, I've found that I've lost my "moniker"—"Chubby." You know, for a time there, almost everyone who came in asked for the "chubby guy" with the bald head, and Wilma calls us the "tubby twins." "Tubby" and "Chubby."

This guy "Tubby" (with his nice brown curly hair, darn him!) seems to like "Tubby." His real name is Walter and when I called him "Wally," he was really upset and wanted to know what I was angry about.

He said, "All my friends call me Tubby, and that's what I like to be called." So, when our smiling, curly-headed salesman with the big tummy waddles up to you just say, "Hi, Tubby," and you'll get the best service ever. I know, because . . .

. . . I'm Frank

Orinda Cubs Will Face All-Stars at District Picnic

The Diablo District Cub Scouts will hold their annual picnic this Saturday, at Acalanes High School. At that time Orinda Pack 52 will be presented with the Cub Baseball Trophy for winning the league championship. Pack 58 of Diablo Vista held the Trophy this year. The tropry must be won three years in succession to be held permanently.

Feature of the picnic will be a baseball game between the Orinda Pack 52 and the All-Stars. The All-Stars are composed of the outstanding players from all the District packs. Wayne Nylander and Mark Radcliff will represent Diablo Vista

Legaue standing at the end of play follows:

	Won	Lost
Orinda Pack 52	11	0
Ygnacio Valley 46	9	2
Pleasant Hill 58	8	3
Walnut Creek 6	8	3
Walnut Creek 59	7	3

Lafayette 38	3	7
Orinda 32	1	9
Alamo 53	1	9
Canyon 57	1	10

8 to Graduate at Canyon Wednesday

Next Wednesday night will mark completion of elementary school study for eight eighth graders at Canyon School when they receive their diplomas in graduation exercises at Canyon Redwood Inn.

Graduates are Richard Bierman, Bill Blascovich, Joe Hobbs, Donna Lonergan, Bonnie Miller, Bruce O'Neil, Douglas O'Neil and Richard Vahl.

With Mrs. Carlo Scholin playing introductory music on the piano, the program will open at 8.

The welcoming address by Bill Blaskovich will be followed by the school play, "Gentlemen in the Making," a comedy performed by the graduates and some of the sixth and seventh graders.

The O'Neil boys, twins, will play a piano duet, and Richard Bierman and Robert Erikson, a seventh grader, will sing — Richard vocalizing with "She's Never Been Kissed" and Robert with "f." Both will be accompanied at the piano by Mrs. Jacqueline Frey, primary grade teacher. In addition, Richard will be accompanied by a chorus of seventh and eighth grade boys.

Reading of the class will and class prophecy will follow, after which Mrs. Robert O'Neil, mother of the graduating twins, will deliver the graduation address and present the diplomas.

Finale will be singing of the class song by the graduates. As yet unnamed, the song is to the tune of "The Beautiful Brown Eyes," and the words have been written by the eighth graders.

All three teachers will be present — Principal Mrs. G. Wilkinson, Mrs. LaVon Zemke and Mrs. Jacqueline Frey.

SPORTS

Sideline Slants

Action-Packed Softball League Gives Fun, Incentive for This Entire Area

By ERWIN MATTSON

IT IS PROBABLY TRUE that the Walnut Creek Softball League provides more activity and spectator entertainment that any other athletic endeavor in the area.

The two-games-a-night, five-nights-a-week schedule gives plenty of player activity and provides the fans with lots of ball and a chance to watch their favorites in action.

It also serves to point the way to a hoped-for future league in which Lafayette, Orinda and Walnut Creek teams would participate.

The league this year appears to be a race between Tiny's Hut, Walnut Creek Merchants, W. C. American Legion and Veterans of Foreign Wars.

The Walnut Creek Merchants seem to be the best balanced club, but Tiny's Hut, with old reliable in the person of Harry Dunham on the mound and Les Lloyd in the manager's spot, will be a tough combination to beat.

The National Guard, Della Pippas and Sun Valley will have to pick up or end in second division.

THE LOCAL LEGION hardball picture finds Lafayette and Walnut Creek Posts sponsoring teams with Sammy Evans as a co-sponsor of the Lafayette nine and Mort Brown in the same capacity for Walnut Creek.

The fact that both posts have teams entered has given more boys a chance to play but has also had the effect of splitting the teams' strength.

Grammar school district boundaries have been taken as the dividing lines for both teams.

Other areas have had the advantage of making up but one team, and consequently the going is tough at times.

Lots of boys are getting experience, and it should help develop more players over the long run.

In the meantime, it does make it rough meeting teams like Richmond and El Cerrito.

SIGNS OF THE TIMES — Bleachers are being removed from the swimming pool area at Acalanes and erected at the track in preparation for next Fall's football.

Rather than store them and then haul them back to set up, it is all done at the end of the Spring sports season.

This leaves time for other essential things when pigskin time rolls around — and it won't be long now!

CONTRA COSTA JUNIOR College East Campus has just sent out notice that it plans a meeting of all candidates for its football team of next Fall.

The meeting is set for next Monday at the Junior College building at 1301 Alhambra Avenue, Martinez, at 7 p.m.

A bus will be available to take prospects on a tour of the new campus and football field now under construction.

THE TEAM WILL BE the first to represent the school on the East Campus.

The West Campus enjoyed a successful season last year under the coaching of Jack Danilovich and Hugo Boschetti.

Coach Boschetti has been transferred to the East Campus and will work with Hal Buffa the coming season.

The coaches plan to discuss next Fall's perspectus with the players at Monday night's meeting. It behooves any interested parties to be on hand.

WORD HAS JUST BEEN received of the appointment of Anthony Scafani as Commissioner of Officials for the Contra Costa High School League. His duties will start with the opening of football next Fall.

Hal Buffa of Contra Costa Junior College was last year's commissioner, but he was forced to resign, due to his duties as football coach at Contra Costa J.C. East Campus, which begin with the 1951 season.

Moraga School To Graduate 4 Thursday Night

Three girls and a boy will be graduated from Moraga School next Thursday night.

Jeanne Baitx, Gail Correia, Larry Warrick and Pearl Wiltse are the four eighth graders who will receive their diplomas in exercises at the school. The program will start at 8 p.m.

Clerk John A. Sanders of the Board of Trustees will award the diplomas, after presentation of the class by Principal Anna M. Thomas.

Preceding this highlight of the evening, the program will include the Salute to the Flag, led by Larry Warrick; "The Star Spangled Banner," sung by the audience; a three-act play, "Career Girl," enacted by the graduates and two seventh graders, Rosemary Pimentel and Jerry Freitas; an accordion solo by Rosemary Pimentel; vocal selections by the Intermediate Chorus of fifth, sixth and seventh graders, and the graduation address by Mrs. Josephine Rea, county supervisor from Superintendent B.O. Wilson's office.

Those in the chorus are Patsy Gloria, Rosemarie Marin, Rosemary Pimentel, Shirley Alexander, Mary Lou Devin, Heidi Devin, Charles Lance and Bob Ross.

Singing of "America the Beautiful" by the chorus and the audience will close the program.

Canyon Mothers Lose; Dads Save Day

Mothers really took a shellacking from their sons when Canyon-Moraga Cub Pack 57 defeated them 14-3 in the softball game last Sunday at Moraga School playground.

The dads saved the day for the older generation by trouncing their challengers, the Canyon Boy Scouts, 14-5, in a second game.

Unbiased umpire for both games was Joe Freitas of Moraga.

The Cubs wore green and white jerseys; the mothers appeared in jeans and white T-shirts, on the back of each of which was inscribed "Bare-Kats."

Cubs' starting battery: Pitcher, Seeds; catcher, Franklin. Mothers: Pitcher, Foster; Catcher, Lalley. The Bare-Kats' first two pitchers were retired because of difficulty in finding the plate.

The arm of the third and final pitcher, "Spook" Seeds, was carefully preserved by wearing it in a sling when not in use. "Man" Foster surprised everyone by hitting a home run.

The Dads, known at last year's game as the "Canyon Ole Men" and this year as "The Ancients," really had to pour it on to win from their offspring. Dads' starting battery: Pitcher, Big Arlo Compher; catcher, Crawford; Scouts: Pitcher, Little Arlo Compher; catcher, Doug O'Neil.

"Grampaw" Ross came through with a homer.

The Cubs swelled their treasury with hot dogs and soda pop sold to spectators and players. Movies taken of both games will be shown soon at a Canyon Civic Club meeting. The Moraga Dads have challenged the Canyon Dads to a softball game June 16 at Moraga.

'Twas Tough Go But Lafayette Beats WC 10-6

Lafayette Legion's nine had to come from behind in the Contra Costa League game at Acalanes Field last Sunday afternoon to win, 10-6.

The Walnut Creek team jumped to a 2-0 lead in the second inning when Catcher John Champlain hit one for the circuit to left field and Richard Munn, diminutive shortstop, wound up and hit one to the same place for three bases and came home seconds later when Dick Davis hit to Third Baseman Ferro, who bobbled the play by throwing wide to first.

LAFAYETTE GOT BACK in the game when it scored in the fourth inning on a booming blow to deep center off the bat of Pitcher Bob Borghesani and followed up with five runs in the fifth on three hits, two walks and a hit batter, along with two errors by Walnut Creek.

Walnut Creek added a run in the sixth, when John Champlain hit a double and scored on Munn's single, only to have Lafayette score four times in its half of the inning.

Ed Neighbor and Bob Borghesani contributed doubles, while Mike Klement laid down a well-placed bunt that went for a hit.

Richard Ting hit a triple for Walnut Creek to drive in Alan Ruff for a seventh inning W.C. tally while Lafayette went scoreless.

WALNUT CREEK MADE a desperate bid in the top of the ninth when Dick Davis hit first safely by virtue of an error and Tod Sorensen walked.

Alan Ruff flied out to center field, and Ting flied out to right. But Jim Davis walked and loaded the bags.

John Champlain hit to shortstop for what appeared to be an out — but the ball was juggled, and Davis and Sorensen raced home.

Dick Austin came to bat, and hit to the second baseman, Bart Ferro, who tossed to first for the third and final out.

Faculty Wives Meet

The Acalanes Faculty Wives met again Wednesday night. The monthly social gathering was held in Oakland at the home of Mrs. James Wilhelm on Manor Crest.

Mrs. Wilhelm was assisted by Mrs. Wilson Sanchez as co-hostess, and a large group was on hand to enjoy their hospitality at this last meeting of the school year.

Local Legion Nines Face Busy Weekend

The Contra Costa American Legion Baseball League swings into its third round of play this Saturday and Sunday.

The schedule finds Walnut Creek Legion traveling to Richmond on Saturday and hitting the road again on Sunday when it meets up with an up-and-coming Antioch nine.

Richmond is the league leader, along with El Cerrito, while Antioch appears to be getting stronger with each outing.

SO IT SEEMS THAT Walnut Creek will have a busy weekend. With good pitching they may upset somebody's applecart.

Lafayette's representative nine tangles with the strong El Cerrito club on the El Cerrito diamond at 2 p.m. Saturday and meets up with Pittsburg on Sunday.

El Cerrito rates the favorite role, while the Pittsburg game rates a toss-up.

BOB BORGHESANI and Rick Johnson are slated to divide the mound duties for Lafayette, while Bob Westlund and John Olcott rate the call for W.C.

All games are slated for a 2 p.m. starting time.

KGO — FRIDAY NIGHTS — 8:30 P.M.

Deadline Nears For Young Artists to File Festival Outdoor Art Show Entries

Young artists from throughout Central Contra Costa County—from kindergarten through Junior College ages—are urged to turn in their entries for the Third Annual Outdoor Art Show before schools close in mid-June.

This plea came today from Mrs. Peter Howard and John Horns, co-chairman of the coming annual exhibit to be held in conjunction with the Walnut Festival in Walnut Creek's City Park September 21 through 23.

Orinda entries are reportedly complete.

Mrs. DeWitt Kreuger, Walnut Creek, Mrs. Ted Merry, Pleasant Hill; Mrs. Lowell Steele, Concord; Mrs. R. K. Humpreys, Ygnacio Valley; Mrs. William Boyd, Alamo; Mrs. Ridgeway Woodburn, Danville; Mrs. J. S. Fraser, Orinda ,and Mrs. Thomas Cokeley, Martinez.

Miss Marjorie Silva at Diablo Union High School, is the High School Chairman, and Miss Frances Young chairman for the Junior College. Entries from Clayton Valley will be accepted by Mrs. Steele of Concord.

Rules require that pictures be no larger than 18 by 24 inches and unmounted. Judges will base their selections on creative merit and intrinsic value, keeping the age group of the exhibitor in mind.

Materials are virtually unrestricted, ranging from pencil drawings on through oil paints. One Lafayette boy is reportedly creating a work in metals.

The work of young artists will be only one part of this year's outdoor Art Show at the Walnut Festival.

Featured also will be a juried show of paintings by outstanding artists, a sculpture exhibition, an International photography display, architectural and landscape models.

Extensive art in action groups will include ceramics, leather, metalcraft and weaving.

Over 250 Now in Lutheran Church

Addition of 24 new members last Sunday gives Our Savior's Lutheran Church of Lafayette a baptized membership of over 250.

"The Second Mile" will be the title of Pastor Luther Berven's sermon for this Sunday. The text, Matthew 5:41, from the "Sermon on the Mount," reads:

"If anyone forces you to go one mile, go with him two miles."

"Impelled by his love for Christ his Savior," says Pastor Berven, "the Christian will give service to God and to his fellowmen above and beyond the call of duty."

The Women of the Church will meet next Tuesday at 8 p.m.

Daphne Branch's Dance Thursday

Starlight Waltz is the name chosen for the Spring dance to be given by the Daphne Branch of Children's Hospital of the East Bay next Thursday night at the Brazilian Room at Tilden Park, from 9 to midnight.

The branch, recently formed, is made up of Acalanes High School girls. Members are:

Ann Seulberger, Alice Spencer, Joan Gordon, Renee Lasalle, Kay Goodwin, Pat Randall, Nancy Carroll, Jerri Nardini, Sandra White, Shirley Williams, Ann Bronson, Paula Cory, Robin Hooper, Pat Cavallera and Joanne Neuman.

PLEASANTON PARADE

An historic and colorful parade will be one of the highlights of the Alameda County Fair billed at Pleasanton for an 11-day run, June 27 to July 7. Over $1000 in cash prizes will be awarded to clubs and organizations that promenade all through picturesque Pleasanton on July 1.

Annapolis Grad Donald M. Beck Returning Home

Ensign Donald M. Beck, son of Captain and Mrs. E. F. Beck of 3555 Brook Street, is expected home tomorrow for a 30-day leave, after which he will report to the carrier Philippine Sea for duty.

Ensign Beck graduated from the U. S. Naval Academy at Annapolis, Md., last Friday. He is driving from the east, accompanied by his sister, Betty Beck, who attended the graduation exercises.

He graduated from Acalanes in 1946. Before entering Annapolis he studied for a year at the University of California. His father, Captain Beck, graduated from the U. S. Naval Academy in 1922.

Jewish Women to Meet on Tuesday

"League of Jewish Women" is the name to be presented for approval of the membership at the organizational meeting of Jewish women of Central Contra Costa County next Tuesday.

The women will meet at 1:30 p.m. at the home of Mrs. Rosalyn Zuckerman, 231 Lakewood Road, Walnut Creek.

A complete slate of officers and proposed by-laws have also been prepared for consideration by the group, Mrs. Anne Abel, chairman of the nominating and by-laws committee, reported.

Jewish women of Orinda, Lafayette, Walnut Creek, Pleasant Hill, Concord, Martinez and nearby communities were urged to participate in the new organization by Mrs. Hilda Robinson, temporary chairman.

Women wishing to attend the meeting who have not already contacted members are requested to telephone Mrs. Robinson at W. C. 2759.

Mrs. Knudsen Will Read at Dessert

Mrs. Duncan Knudsen of Upper Happy Valley, Lafayette, will present a reading, "The Education of a He," at a benefit dessert to be held Tuesday, 1:30 p.m., by Poplar Branch of the Children's Hospital of the East Bay. The affair is to be held at the home of Mrs. Derrol Huddleson, 1701 Carter Street, Oakland.

Reservations may be made by calling Mrs. Knudsen, Orinda 7041.

Dessert-Reading Monday Afternoon

The Orinda Tanager Unit of the Mt. Diablo Child Therapy Center is closing its busy Spring season with a dessert-reading on Monday. Mrs. Stuart Henderson will present this reading.

Mrs. Victor Savale, general chairman, has chosen the Brazilian Room, Tilden Park, as the setting, with invitations extended to the members of the other Orinda unit, the Orioles, besides the Tanagers and their guests. Dessert will be served at 1 p.m.

In charge of reservations is Mrs. Alex Morris. On her committee are Mesdames Russell Gilwee, C. Lafayette Smith, Robert Pedder and Robert Harrison.

Refreshments are being arranged for by Mrs. Robert Boyle, assisted by Mesdames Robert Moorehead, J. Y. Marshall, Andrew Catherall and A. W. Eberlin.

Hostess chairman is Mrs. Emory Davis. Greeting and serving with her the 150 guests invited will be Mesdames Wesley Smith, W. S. Dean, W. E. Joslin, C. Ron Anderson, Joseph B. Downs, Donald Krotz, J. S. Edwards and William D. Coleman.

The decoration committee, under direction of Mrs. John Almond, is planning the individual centerpieces and the flower displays. Mesdames Peter Veitch, Frank Brush, C. E. Cook, John Van Dyne and Coleman Huntley are collaborating with Mrs. Almond.

Publicity for this affair is being handled by Mrs. Joseph B. Downs.

Sally Allen Is Now Mrs. Harris

In a garden wedding at the home of her parents, Mr. and Mrs. Donald Cameron Allen on Teigland Road, Sally Owen Allen became Mrs. Gale Reed Harris Sunday afternoon.

The patio and garden house where the ceremony took place were decorated with garlands of ivy while white stocks and gladioli in urns edging the garden wall added to the effectiveness of the garden setting.

SALLY WAS ESCORTED to the improvised altar by her father, Donald Allen. Her gown was of white starched marquisette trimmed in bands of Swiss embroidered organdy, the very full floor-length skirt ending in a train. A full fingertip length veil was held in place by a cloche of heirloom lace. The bride's bouquet was of lilies of the valley.

The bridesmaids wore ballerina length gowns of white embroidered organdy, deep green taffeta sashes and green linen shoes lending accent to the picture.

Sally's cousin, Lucretia Crandall of Piedmont, was her maid-of-honor. Bridesmaids were Audrey Eggert, Joyce Angwin, both Pi Beta Phi Sorority sisters of the bride, from Piedmont; Mary Lou Walker of Stanford; Mollie Mulford and Annette Vincent of Piedmont, and Sandra Logue of Concord.

JAMES LAMB FREE III of Santa Barbara was best man, and ushers were Richard E. Peterson and Robert Olsen of Berkekley, Knox M. J. Kirkland and Milton R. Jillson of Davis.

The groom is son of Mrs. George Franklyn West and Dr. Reed H. Harris of Oakland.

Following a honeymoon at Santa Barbara, the newlyweds will make their home in Walnut Creek.

Host Supper Murray Graves

Dr. and Mrs. Murray Groves were hosts to a patio potluck supper Memorial Day. Red, white and blue flowers were used in the table decortions.

Guests enjoying the affair were Mr. and Mrs. Fred Elkinton, Mr. and Mrs. Walter Nicklas, Grandma Nicklas and son Jeff, Mrs. Irene Marshall, Mr. and Mrs. G. Chester Brown, Mr. and Mrs. Arthur Smith and Murray Groves, Jr.

Following supper, all took a garden walk and later gathered in the living room for singing, music and joke-telling.

Neil Vincent Moran, Frederica Duffy Betrothal Announced

Engagement of Neil Vincent Moran, son of Mr. and Mrs. Thomas J. Moran, to Frederica Duffy, daughter of Mr. and Mrs. Jerome A. Duffy of San Rafael, was announced informally to their families a few weeks ago.

"Freddie," as the bride-elect is known to her classmates, is a junior student at Dominican College. She has a sister, Eleanor, who became the bride of Donald Shaw of Berkeley in a San Rafael ceremony last Saturday.

Another sister, Noel, is a student at Dominican High School, and there is a brother, Stephen Duffy.

The bride-elect is a niece of Federal Judge George Harris of San Francisco and Mrs. Harris.

Neil Moran is slated to receive his degree from University of Santa Clara June 16. He attended St. Ignatius High School for his prep schooling. A business administration major at Santa Clara, he will be established with his father after graduation.

The benedict-elect has two brothers, Thomas J. Moran, Jr., and Marshall Moran, and two sisters, Mrs. John Rarig (Virginia Moran) and Nancy Moran.

Mr. and Mrs. Moran will entertain members of the two families at a buffet supper at "Seven Oaks," their lovely ranch home, one June 20.

Visit Carmel Valley

Mr. and Mrs. Lester Hurd and Mr. and Mrs. Henry Wynn were recent guests at Rancho Los Laureles Lodge in Carmel Valley. Newest venture in that area, the Barn Theater, opened Memorial Day, and promises to offer Rancho weekend guests additional diversion.

Lt. Barude Returns To U.S. from Korea

Mr. and Mrs. A. G. Barude of Sleepy Hollow Lane have just returned from a flying visit to Los Angeles to meet their son, a lieutenant in the Navy, returning from the Korean area.

Lieutenant Barude has been returned to the mainland for a year's additional special education.

Sleepy Hollowans Plan Party 17th

Sleepy Hollowans are again making plans for their semi-annual get-together cocktail party. "Meet your new neighbors" is the theme of this party to be held Sunday, June 17, 4 to 8 p.m., at the home of Mr. and Mrs. Joseph B. Downs on Sleepy Hollow Lane.

General Chairmen are Mr. and Mrs. William Witter, to be assisted in greeting the guests by Mr. and Mrs. Joseph De Costa. De Costa is president of the Sleepy Hollow Improvement Association.

Dinner for Eight

Ellen Johnston, daughter of Mr. and Mrs. R. W. Johnston of Sleepy Hollow Lane, entertained recently at a formal dinner for eight, before the Job's Daughters Spring Formal at the Scottish Rite Building. Her guests included Jane Ponting, Allan Hughes, Anne Hawkesworth, Bob Larsen, Dorothy (Pety) Bedard, John Biasotti, Jr., and Charles Ostrom.

Seamans Entertain

Dr. and Mrs. James Seaman of St. James Court entertained at a cocktail party before the recent square dance. Sharing their hospitality were Messrs. and Mesdames Robert Boyle, Francis Wyatt, Berton Kohler, William Witter, Nels Hamberg, Robert Walker, Murray Studley, Gordon Pray, Zach Montgomery, C. E. Cantrill, Robert Dashiell, Frank Coffey, Ross Wynans, Ernest Starkman, George Eberhart, Charles E. Phillips and Paul Queyrel and Mrs. Ethel Tyrrell.

Carr Discusses Foreign Policy

Luther Carr, prominent Burlingame attorney, spoke to a group of 45 people Tuesday night at the Orinda home of Mr. and Mrs. Paul Ammen on the need for a new approach in U. S. foreign policy.

"A system of law and order must be substituted for the existing world anarchy," Carr said, "and we must make it clear to the rest of the world that this is our aim under a limited world federal government."

The meeting was held under the auspices of the Acalanes Chapter of the United World Federalists. Carr is a member of the California UWF Executive Council.

Those attending from Orinda were Mesdames John Parker, Charles Hanks and Gilbert Earl; Messrs. and Mesdames Ernest Drews, Frederick Johnson, Ray Devin, Irving Kohlkorst, Charles MacDonald, Harold Booth, Warren Yager and Roy Blackmer, and Dr. Francis Richardson.

Will you be killed tomorrow? Drive very carefully.

Newlyweds-to-Be Are Honored at Gatherings

Among the many pre-nuptial affairs honoring both Allison Morse and her fiance, David John Wilson, was the dinner given recently by Mr. and Mrs. Kendric B. Morrish at their Irvine Drive home in Orinda.

In addition to the honored couple and the hosts, those present included Miss Morse's parents and the Reginald Biggs' of Walnut Creek.

The bride-elect is a daughter of Mr. and Mrs. Allan A. Morse of "White Tower," Danville. Her husband-to-be's parents, Mr. and Mrs. Henry Sym Wilson of Maplewood, N. J., plan to arrive with his brother. Sym, Wednesday in time for the wedding ceremony set for the 16th.

A series of teas, showers and dinners have been given in honor of the approaching garden wedding of the couple to take place at the home of the bride-elect's parents on Stone Valley Road, Danville.

Following their marriage, the new Mr. and Mrs. Wilson will make their home in Lafayette.

Christening Rites For Shelley Rieger

Shelley Elizabeth Rieger, one-year-old daughter of Mr. and Mrs. Hugh G. Rieger of 36 Vallecito Lane, Orinda, was christened May 27 at Orinda Community Church.

Present for the christening ceremony was Shelley's maternal grandmother, Mrs. E. W. Brewer of Portland, Ore. Godfather and godmother were Mr. and Mrs. W. D. Douglass of Berkeley, Shelley's uncle and aunt.

Others attending were Shelley's paternal grandparents, Mr. and Mrs. Paul Rieger of Berkeley; Mr. and Mrs. Robert Haaf of Lafayette, another uncle and aunt; and Shelley's parents.

Shelley has a brother, Paul, 6.

Rev. Fred Morrow officiated at the christening. After the ceremony, the group had "brunch" at the Hugh Rieger residence.

Today's driver should be four drivers rolled into one. He should watch the car ahead, the car behind, the car next to him and even the one around the corner that he can't see.

Garden Club Has Luncheon Party

A garden luncheon and entertainment yesterday at the Wallace Ballinger home culminated Orinda Garden Club's program for the year.

Hawaiian dances in costume were presented by Mrs. Marjorie Bronson and her group of Kapolani dancers in a program arranged by Mrs. William Wilson.

Outgoing officers are Mrs. William Everts, president; Mrs. William Wilson, vice-president; Mrs. William Kilgo, recording secretary; Mrs. H. C. Gathings, corresponding secretary; Mrs. Dan Sheldon, treasurer; Mrs. James H. Anderson, historian; Mrs. Thomas Telfer, finance; Mrs. Jeffries Larkey, civic affairs; Mrs. Kenneth Courtright, alternate.

The last board meeting was held May 31 at the home of Mrs. Everts, president. Following the business session, members enjoyed a luncheon and played cards.

Crocheted Spread Displayed by Guild

The Women's Guild of Orinda Community Church has a beautiful hand-crocheted bedspread, the work and gift of Mrs. Grace Brooks.

The spread is made in the popular Swedish popcorn pattern and will fit a three quarters bed or a full size one when flounces to the floor are used.

The Guild hopes to realize $250 on the sale of it. Any one interested in purchasing it may see it at the home of Mrs. Lance Barden or call her about it, Orinda 5031.

Hosts at Shower

The Harry Aglers were hosts at a shower at their Orinda home May 26, in honor of Carol Davis and Jack McElheney of Berkeley, who will be married later this month.

The guests who gathered to fete the bride-to-be and groom-to-be were Messrs. and Mesdames Andrew McElheney, Milton Ellis and Ward Huntington, and Madalynne Lindenberg and Cliff Benjamin.

At Alumna Reunion

Mrs. Richard R. Whetstone of 21 Meadow Park Court was among the 300 alumnae who gathered for last Saturday's Reunion Day at New Jersey College for Women at New Brunswick, N. J.

Mothers Club to Give Picnic for Grads Wednesday

Orinda Mothers Club is giving a picnic for the graduating class next Wednesday, 10 a.m. to 3 p.m., at the Park Pool.

Honored guests will be Superintendent Joseph Sheaff, the two eighth grade teachers, Mrs. Beeman and James E. Comer, and Room Mothers Mrs. Clarence Palmer and Mrs. W. K. Ellermeyer.

Hot dogs, potato salad, cake and drinks will be served.

Mrs. Herbert Haworth is chairman of the event and will be assisted by eighth grade mothers.

Mrs. J. H. Schwarck and Mrs. Robert Bigler, outgoing and incoming president, respectively, of Mothers Club, will greet the eighth grade students.
